Education and Training

Education

09/1976 – 03/1979	Hilliard High School, Hilliard, Ohio.
04/1979 – 03/1980	Ikeshinden High School, American Field Service (AFS) High School Exchange Student, Kikugawa, Japan.
09/1980 – 03/1985	Ohio State University College of Arts and Sciences, Japanese Studies, Bachelor of Arts, Cum Laude with Honors, Columbus, Ohio.
09/1983 – 08/1984	Inter-University Center for Japanese Language Studies, Tokyo, Japan.
08/1985 – 06/1989	Ohio State University College of Medicine, Doctor of Medicine, Columbus, Ohio.
09/1992 – 06/1994	University of North Carolina School of Public Health, Department of Epidemiology, Master of Public Health, Chapel Hill, North Carolina.
09/1994 – 05/1998	Michigan State University, Interdisciplinary Programs in Health and Humanities, Master of Arts, East Lansing, Michigan.

Postdoctoral Training

09/1983 – 08/1984	Visiting Scholar, Tokyo University, Department of Geriatrics, Tokyo, Japan.
07/1989 – 06/1990	Internship, University of North Carolina, Department of Family Practice, Chapel Hill, North Carolina.
07/1989 – 06/1992	Resident, University of North Carolina, Department of Family Practice, Chapel Hill, North Carolina.
06/1992 – 08/1992	Graduate Fellow, Jichi Medical University, Department of Community and Family Medicine, Jichi, Japan.
09/1992 – 06/1994	Research Fellow in Clinical Epidemiology, Robert Wood Johnson Foundation Clinical Scholars Program, University of North Carolina, Chapel Hill, North Carolina.
09/1994 – 06/1997	Lyle C. Roll Fellow in Bioethics, University of Michigan, Ann Arbor, Michigan.

Scholarships and Fellowships

1983	Inter-University Center for Japanese Language Studies in Tokyo Scholarship, Tokyo, Japan.
1983	Japan Foundation Fellowship, Tokyo, Japan.
1986	Samuel J. Roessler Memorial Scholarship for Medical Student Research, “Does DNA supercoiling regulate sister chromatid exchanges?” Ohio State University, Columbus, Ohio.
1987	Jeremiah Milbank (J.M.) Foundation Scholarship for Education of Medical Students on Substance Abuse, Wright State University School of Medicine, Dayton, Ohio.
1987	Samuel J. Roessler Memorial Scholarship for medical student research, “A study of stress and coping by Japanese children in the process of acculturation,” Ohio State University, Columbus, Ohio.

1987	Title VI Fellowship for Chinese Language Studies, United States Department of Education, Washington, DC.
1989	Student Exchange Scholar, Tongji Medical University, Hubei Province, The People's Republic of China.
1989	Bertha Mount Memorial Award for travel to The People's Republic of China.
1989	Indian Health Service Award for a Medical Student Elective to Bethel, Alaska.
1992	Fulbright Foundation "Japan Today" Fellowship to Study Ethics of End of Life Decision-Making in Japan, Host Institution – Jichi Medical University, Tochigi, Japan.
2000 – 2002	Awardee, Graduate Medical Education in Ethics Program, University of Michigan, Directors: Susan Goold, MD, MHSA, MA; David Stern, MD, PhD.

Certification and Licensure

Certification

1989 – 1993	Advanced Trauma Life Support
1989 – Present	Advanced Cardiovascular Life Support Recertified 1991, 1993, 1996, 1999, 2001, 2003, 2005, 2007, 2009, 2011, 2013
1990	National Board of Medical Examiners (Diplomate)
1993 – 2018	American Board of Family Physicians (Diplomate) Recertified 2000-2007, 2008-2018
1997 – Present	Japanese Academy of Primary Care (<i>Nintei, Nihon Puraimari Kea Gakkai</i>)
2001 – 2008	Neonatal Resuscitation Program
2002 – 2005	Advanced Life Support in Obstetrics
2011 – 2013	Basic Life Support for Healthcare Providers (CPR & AED)

Licensure

1994	North Carolina Board of Medical Examiners (39589)
1994 – 2016	State of Michigan, Department of Commerce Board of Medicine and Board of Pharmacy (4301063810)

Academic, Administrative and Clinical Appointments

Academic Portfolio

09/1992 – 06/1994	Research Associate, Cecil G. Sheps Center for Health Services Research, University of North Carolina, Chapel Hill, North Carolina.
09/1992 – 06/1994	Clinical Instructor, Department of Family Medicine, University of North Carolina, Chapel Hill, North Carolina.
07/1994 – 08/1997	Lecturer, Department of Family Practice, University of Michigan, Ann Arbor, Michigan.

04/1995 – 10/2004 Faculty Associate, Center for Japanese Studies, University of Michigan, Ann Arbor, Michigan.

09/1997 – 08/2004 Assistant Professor, Department of Family Medicine, University of Michigan, Ann Arbor, Michigan.

07/1997 – Present Adjunct Faculty Member, The Center for Ethics and Humanities in the Life Sciences, Michigan State University, East Lansing, Michigan.

07/1998 – Present Faculty Decision Consortium, University of Michigan, Ann Arbor, Michigan.

01/1999 – 2007 Faculty Associate, Center for Research on Ethnicity, Culture, and Health, School of Public Health, University of Michigan, Ann Arbor, Michigan.

09/2000 – Present Faculty, University of Michigan Health System, Graduate Bioethics Program, Ann Arbor, Michigan.

09/2004 – 8/2012 Associate Professor, Department of Family Medicine, University of Michigan, Ann Arbor, Michigan.

11/2004 – Present Associate Member, Center for Japanese Studies, University of Michigan, Ann Arbor, Michigan.

04/2007 Visiting Professor, Shiga University of Medical Science, Otsu City, Shiga, Japan.

2008 – Present Affiliate Faculty, Robert Wood Johnson Clinical Scholars Program, University of Michigan, Ann Arbor, Michigan.

2010 – Present Faculty, Center for Japanese Studies, University of Michigan, Ann Arbor, Michigan.

09/2012 – Present Professor, Department of Family Medicine, University of Michigan, Ann Arbor, Michigan.

2014 – Present Faculty Advisor, Global Health and Disparities, University of Michigan Medical School, Ann Arbor, Michigan.

10/1/2014-3/31/2015 Part-time Lecturer, Mie University, Tsu City, Mie Prefecture, Japan.

Administrative Portfolio

04/1985 – 08/1985 Interpreter/Exhibit Guide, The United States Information Agency, International Science and Technology Exhibition, Tsukuba, Japan.

07/1991 – 06/1992 Chief Resident, University of North Carolina Family Practice Residency Training Program, Chapel Hill, North Carolina.

07/1991 – 06/1992 Family Practice Residency Director Search Committee, University of North Carolina, Department of Family Practice, Chapel Hill, North Carolina.

07/1992 – 06/1994 Clinical Scholars Program Computer Committee, University of North Carolina, Clinical Scholars Program, Chapel Hill, North Carolina.

10/1995 – 06/1997 Director, Japanese Health Initiative, University of Michigan Health System, Ann Arbor, Michigan.

07/1997 – Present Director, Japanese Family Health Program, University of Michigan Health System, Ann Arbor, Michigan.

07/1999 – 06/2010 Director, Medical Ethics in Family Medicine Curriculum, University of Michigan, Department of Family Medicine, Ann Arbor, Michigan.

07/2006 – 06/2010 Co-Director, Family Medicine Resident Original Projects, University of Michigan, Department of Family Medicine, Ann Arbor, Michigan.

Clinical Portfolio

07/1989 – 06/1994 Continuity Physician, Specialty Clinic for Japanese Patients, Family Practice Center, University of North Carolina, Chapel Hill, North Carolina.

01/1991 – 04/1992 Emergency Room Physician (part-time), Johnston Memorial Hospital, Smithfield, North Carolina.

09/1992 – 06/1994 Urgent Care Attending, Family Practice Center, University of North Carolina, Chapel Hill, North Carolina.

07/1993 – 06/1994 Emergency Room Physician (part-time), Alamance Memorial and County Hospitals, Burlington, North Carolina.

07/1994 – Present Outpatient Attending Physician, Department of Family Practice/Medicine, University of Michigan (Plymouth Health Center, East Ann Health Center, Domino’s Farms Family Medicine).

07/1994 – 06/1996 Attending Physician-Inpatient, Chelsea Community Hospital, Chelsea, Michigan.

07/1994 – 06/1999 Attending Physician-Inpatient, Beyer Community Hospital, Ypsilanti, Michigan.

07/1994 – 06/1999 Attending Physician-Inpatient, UFM Service (University Family Medicine), University of Michigan Hospital, Ann Arbor, Michigan.

07/1999 – 06/2003 Attending Physician-Outpatient, OAS Family Medicine (Outpatient Attending Service), University of Michigan Hospital, Ann Arbor, Michigan.

07/2003 – 6/2008 Attending Physician-Inpatient, FMB Service (Family, Mother and Baby), University of Michigan Hospital, Ann Arbor, Michigan.

2007 – Present Outpatient Attending Service (OAS), Family Medicine, University of Michigan Hospital, Ann Arbor, Michigan.

Research Interests

- Investigating the influence of culture on medical decision-making, particularly, in the development and promotion of family medicine in Japan.
- Developing innovative approaches to mixed methods research and disseminating the utility of mixed-methods research nationally and internationally.

Language Competence-Statement of Fluency in Japanese

Dr. Fetters is fluent in written and spoken Japanese, using Japanese daily in his role as Director of the Japanese Family Health Program. He is an author on multiple papers published in

Japanese. In addition, he regularly teaches in Japanese about Family Medicine at medical schools and hospitals throughout Japan.

Grants

Current

National Institute on Deafness and Other Communication Disorders (NIH)
Mechanisms of Health Literacy and Information Accessibility in the Deaf

Role: Co-Investigator (McKee PI)

Total Cost: \$233,216 (1.2 Cal Mos.)

Dates: 09/17/15 – 08/31/20

Center for Japanese Studies (CJS)

Contemporary Medical Ethics and Family Medicine Issues in Japan

Dates: 06/01/15 – 05/30/16

Role: Principal Investigator

Total Cost: \$2,000 (0 Cal Mos.)

Center for Japanese Studies (CJS at U-M); Global Reach at U-M

Saving 10,000: Winning a War on Suicide in Japan

Dates: 9/26/14 – 12/31/15

Role: Co-PI, UM (Teo Co-PI at Oregon Health & Science University)

Total Cost: \$1,310.00 (0 Cal Mos.)

Shizuoka Prefectural Government, Japan 10-PAF04149

Shizuoka-University of Michigan Advanced Residency Training Exchange and Research in Family Medicine (SMARTER Family Medicine) Project

Role: Principal Investigator

Dates: 04/01/10 – 03/31/15 (No-Cost Ext. 03/31/16)

Total Cost: \$1,978,635.00 (2.4 Cal Mos.)

Health and Human Services, NIH 1-R01-MH-096699-01-A1

Telemonitoring Enhanced Support for Depression Self-Management

Role: Co-Investigator (Aikens PI)

Dates: 09/01/12 – 06/30/17

Total Cost: \$2,972,481 (1.2 Cal Mos.)

Japanese Business Society of Detroit Foundation (06-2122)

Japan-US Medical Education and Exchange Project of the University of Michigan

Role: Principal Investigator

Dates: 01/01/16 – 12/31/16

Total Cost: \$3,000 (.12 Cal Mos.)

National Institute of Environmental Health Sciences (NIEHS), (NIH)

Using Empirical Ethics to Understand and Optimize Central IRB Review of Local Context: A Model Based on Community Consultation in Emergency Research Conducted with Exception from Informed Consent

Role: Co-Investigator (Silbergleit PI)
Total Cost: \$1,177,072 (1.2 Cal Mos.)
Dates: 09/17/15 – 08/31/18

Pending Grants

National Institute of Mental Health (NIMH), NIH
Culturally Responsive Help Seeking Promotion for East Asian Immigrant Women in Primary Care

Role: Co-Investigator (Saint Arnault PI)
Total Cost: \$3,649,417 (1.2 Cal Mos.)
Dates: 09/01/15 – 08/31/20

Harvard Medical School, NIH/NIMHD
Addressing Mental Health Disparities in Refugee Children through Family and Community-based Prevention: A CBPR Collaboration and Hybrid Implementation Effectiveness Trial

Role: Principal Investigator (Creswell, Sponsor PI)
Total Cost: \$112,888 (.6 Cal Mos.)
Dates: 04/01/16 – 03/31/21

Completed Research Grants

07/01/95 – 09/30/96 Center for Japanese Studies, University of Michigan (\$10,086)
Japanese Physicians' and Patients' Beliefs About Cancer Truth Telling. Role: PI

07/01/97 – 06/30/98 Center for Japanese Studies, University of Michigan (\$6,688)
Japanese Couples' Experiences with the Birthing Process in the United States. Role: PI

10/01/98 – 07/31/99 U.S. Department of Defense (\$441,259) *Assessing Patient Values Towards Prostate Cancer Genetic Screening.* Role: Co-I

04/01/99 – 09/30/99 Blue Cross Blue Shield of Michigan Foundation (\$9,991)
Cost Effectiveness of Vaginal Smear Screening after Total Hysterectomy for Benign Disease. Role: PI

03/01/00 – 09/30/00 Pfizer Japan (\$35,000) *Medical Care Seeking Decision Making in Japan and the United States.* Role: Co-I

07/01/00 – 06/30/05 Robert Wood Johnson Foundation (\$239,995) *Decisions About Prevention Study (DAPS): Prioritization of and Consent for Preventive Services in Generalist Practice.* Role: PI

10/01/00 – 09/30/01 Michigan Department of Community Health (\$258,979)
Colorectal Cancer Screening Behavioral Interventions.
Role: Co-I

04/01/01 – 07/31/01 Center for Research on Ethnicity, Culture, and Health (\$2,000)
Patient Assessment of Quality in Five Cultural Groups. Role: PI

01/01/02 – 09/30/03 Michigan Department of Community Health (\$221,538)
Multi-media Decision Aid to Promote Colorectal Cancer Screening. Role: Co-I

06/01/02 – 05/31/03 Center for Japanese Studies, University of Michigan (\$10,000)
Innovations in Informed Consent: Outcomes of Advanced Consent for Epidural Anesthesia for Japanese Obstetrics Patients. Role: PI

07/01/03 – 04/30/05 Center for Japanese Studies (\$9,000) *Depression Screening for Overseas Japanese Patients*. Role: PI

02/01/04 – 01/30/05 Blue Cross Blue Shield of Michigan Foundation (\$10,000)
Opportunities for Error Reduction and Improved Healthcare Quality by Examining Data from Family Medicine Morbidity and Mortality. Role: Co-I

03/01/04 – 10/31/04 American Academy of Family Physicians (\$5,000) *Prevalence of Soccer Related Injuries and Parental Attitudes regarding their Child's use of Protective Equipment During Soccer*. Role: Co-I

09/01/04 – 02/28/05 Office of the Vice President for Research (\$8,532) *Improving Preventive Care Delivery during Primary Care Health Maintenance Examinations*. Role: PI

09/30/04 – 06/30/08 NIH Roadmap (HHSN268200425219C) (\$2,177,800)
NIH-Roadmap; Michigan Clinical Research Collaboratory (MCRC) Project: An Integrated Academic Community Research Enterprise. Role: Co-I

01/01/05 – 12/31/05 Center for Japanese Studies (University of Michigan) (\$2,000)
Japanese Medical Students Attitudes about Primary Care and Specialty Care in Japan. Role: PI

05/01/05 – 12/31/06 Center for Japanese Studies (\$4,000) *Perspectives of Japanese Men and Women on Cancer Screening*. Role: Co-I

09/01/05 – 08/30/09 NIH Social and Cultural Dimensions of Health (1 R01 MH71307-01A1) (\$229,868) *Mixed Method Analysis of Japanese Depression*. Role: PI at University of Michigan

09/30/06 – 12/31/07 The Regents of the University of Michigan (\$99,999) *Improving Prevention Delivery Using an Interactive Information Technology System (PreventIT)*. Role: PI

08/01/08 – 07/31/09	NIH (1 R41 CA128117-04A2) (\$78,005) <i>Chronic Disease Management System</i> . Role: Co-I
09/30/08 – 09/29/10	NIH (5 R03 LM010052-02) (\$25,000) (no cost extension 9/30/11) Partners in Research Program, NIH, National Library of Medicine <i>Medical Marvels Interactive Translational Research Experience (MITRE)</i> , Role: PI
02/01/09 – 02/01/10	Westat (N010988) (\$100,000) <i>Research Partnership with a State-wide Network of Federally Qualified Health Centers</i> . Role: Co-I
09/30/09 – 09/29/10	NIH (3R03LM010052-01-S1) <i>Supplement to the MITRE project; Addition of Four Preteen and Four Teenage Focus Groups</i> (\$19,282). Role: PI
08/11/09 – 07/31/10	NIH (1R43CA141987-01) (Total Cost: \$482,155; Total UM Award: \$37,920) <i>Modeling Professional Attitudes and Teaching Humanistic Communication in VR (M-PathicVR)</i> . Role: PI at UM (Kron PI at Medical Cyberworlds, Inc).
12/01/09 – 11/30/10	MICHR (UL1RR024986) (\$5,000) <i>Medical Marvels Interactive Translational Research Expertise (MITRE)</i> . Role: PI
01/01/10 – 12/31/10	Japanese Business Society of Detroit Foundation 06-2122 (\$4,000) <i>Japan-US Medical Education and Exchange Project of the University of Michigan</i> . Role: PI
06/01/10 – 05/31/11	Fostering Innovations Grants Program (FIGS) University of Michigan (\$6,990) <i>Pregnant Japanese Women's Views about using a Kindle e-book Reader for Health Education</i> . Role: Co-Investigator (Mulholland PI).
06/30/10 – 05/31/11	MICHR UL1RR024986 (Equipment only) (\$5,000) <i>Medical Marvels Interactive Translational Research Experience (MITRE)</i> . Role: PI
06/30/10 – 05/31/11	MICHR UL1RR024986 (equipment only) (\$10,000) <i>Medical Marvels Interactive Translational Research Experience (MITRE)</i> . Role: PI
07/01/10 – 06/30/11	Center for Japanese Studies (CJS) (\$2,000) <i>Cultural Acceptability of Group OB Visits to Japanese Women</i> . Role: PI

- 07/15/10 – 12/31/12 Agency on Healthcare Research and Quality (AHRQ)
1R18H519147-01 (\$477,496) *Multi-Method Evaluation of Physician Group Incentive Programs for PCMH Transition*.
Role: PI
- 01/01/11 – 12/31/11 Japanese Business Society of Detroit Foundation (06-2122)
(\$3,000) *Japan-US Medical Education and Exchange Project of the University of Michigan*. Role: PI
- 09/01/09 – 08/31/12 Qatar Foundation (NPRP08-530-3-116) (Total Cost:\$1,001,965;
Total UM Award: \$350,001) *Providing Culturally Appropriate Health Care Services in Qatar: Development of a Multilingual “Patient Cultural Assessment of Quality” Instrument*.
Role: Lead Co-PI at UM (Khidir Co-PI at Qatar)
- 09/30/10 – 09/30/13 Agency on Healthcare Research and Quality (AHRQ)
1R18H5020108-01 (\$353,127) *A Comparison of Provider Versus Health Plan Delivered Care Management in Michigan*.
Role: Co-I (Green PI at UM, Holtrop PI at MSU)
- 01/01/13 – 12/31/13 Japanese Business Society of Detroit Foundation (06-2122)
(\$3,000) *Japan-US Medical Education and Exchange Project of the University of Michigan*. Role: PI
- 06/01/13 – 05/31/14 Center for Japanese Studies, University of Michigan
(\$2,000) *The Multicultural Assessment Instrument-Japanese*
Role: PI
- 09/27/10 – 08/31/13 NINDS/NIH 1U01NS073476
(No Cost Ext. 08/31/14) (\$1,985,521) *Accelerating Drug and Device Evaluation through Innovative Clinical Trial Design-Adaptive Design Trial*
Role: Co-I (Barsan PI)
- 09/01/12 – 01/31/15 NIH/NCATS 9R44TR000360-04
Modeling Professional Attitudes and Teaching Humanistic Communication in Virtual Reality (MPathic VR II) (\$269,579).
Role: Co-PI, UM (Kron Co-PI, Medical Cyberworlds, Inc.)

Completed Educational Grants

- 01/01/99 – 12/31/99 Japanese Business Society of Detroit Foundation (\$2,000)
JHEP: Japanese Health Education Project—Web Page Development. Role: PI
- 07/01/99 – 06/30/00 University of Michigan Center for Japanese Studies (\$7,500)
Japan – US, Nagoya University-University of Michigan Family Medicine Exchange Program. Role: PI

07/01/99 – 06/30/00 NHK International (\$5,000) *Japan – US, Nagoya University-University of Michigan Family Medicine Exchange Program.* Role: PI

07/01/99 – 06/30/00 Toyota Technical Center (\$5,000) *Japan – US, Nagoya University-University of Michigan Family Medicine Exchange Program.* Role: PI

07/01/99 – 06/30/00 Daikin Clutch (\$5,000) *Japan – US, Nagoya University-University of Michigan Family Medicine Exchange Program.* Role: PI

07/01/99 – 06/30/02 Toyota Motor Corporation (\$105,000) *Japan – US, Nagoya University-University of Michigan Family Medicine Exchange Program.* Role: PI

01/01/00 – 12/31/00 Japanese Business Society of Detroit Foundation (\$5,000) *Japan – US Medical Exchange Project at the University of Michigan.* Role: PI

01/01/01 – 12/31/01 Japanese Business Society of Detroit Foundation (\$5,000) *Japan – US Medical Exchange Project at the University of Michigan.* Role: PI

01/01/02 – 12/31/02 Japanese Business Society of Detroit Foundation (\$5,000) *Japan – US Medical Exchange Project at the University of Michigan.* Role: PI

01/01/03 – 12/31/03 Japanese Business Society of Detroit Foundation (\$3,000) *Japan – US Medical Education and Exchange Project of the University of Michigan.* Role: PI

01/01/04 – 12/31/04 Japanese Business Society of Detroit Foundation (\$3,000) *Japan – US Medical Education and Exchange Project of the University of Michigan.* Role: PI

01/01/05 – 12/31/05 Japanese Business Society of Detroit Foundation (\$4,000) *Japan – US Medical Exchange Project at the University of Michigan.* Role: PI

09/01/05 – 08/30/06 Medical School Administration (University of Michigan) (\$49,992) *Bioethics in the Medical Curriculum.* Role: Co-Investigator

01/01/06 – 12/31/06 Japanese Business Society of Detroit Foundation (\$4,000) *Japan – US Medical Exchange Project at the University of Michigan.* Role: PI

01/01/07 – 12/31/07	Japanese Business Society of Detroit Foundation (\$4,000) <i>Japan – US Medical Education and Exchange Project of the University of Michigan.</i> Role: PI
01/01/08 – 12/31/08	Japanese Business Society of Detroit Foundation (\$4,000) <i>Japan – US Medical Education and Exchange Project of the University of Michigan.</i> Role: PI
01/01/09 – 12/31/09	Japanese Business Society of Detroit Foundation (\$4,000) <i>Japan – US Medical Education and Exchange Project of the University of Michigan.</i> Role: PI
01/01/10 – 12/31/10	Japanese Business Society of Detroit Foundation (\$4,000) <i>Japan – US Medical Education and Exchange Project of the University of Michigan.</i> Role: PI
01/01/11 – 12/31/11	Japanese Business Society of Detroit Foundation (\$3,000) <i>Japan-US Medical Education and Exchange Project of the University of Michigan.</i> Role: PI
01/01/12 – 12/31/12	Japanese Business Society of Detroit Foundation (\$3,000) <i>Japan-US Medical Education and Exchange Project of the University of Michigan.</i> Role: PI
01/01/14 – 12/31/14	Japanese Business Society of Detroit Foundation (\$3,000) <i>Japan-US Medical Education and Exchange Project of the University of Michigan.</i> Role: PI
01/01/15 – 12/31/15	Japanese Business Society of Detroit Foundation (\$3,000) <i>Japan-US Medical Education and Exchange Project of the University of Michigan.</i> Role: PI

Completed Academic Support

07/01/98 – 06/30/00	University of Michigan Faculty Group Practice (\$160,000) <i>Ventures Investment Fund-Japanese Family Health Program.</i> Role: PI
06/01/08 – Present	Jitsukoukai Medical Foundation (\$150,000). Role: PI

Honors and Awards

1982	Miyo Kawai Memorial Award, Japanese Studies Student of the Year, Ohio State University, Columbus, Ohio.
1983	Arts and Sciences Award for Scholarship in Japanese, Ohio State University, Columbus, Ohio.
1986	Phi Beta Kappa, Epsilon Chapter, Ohio State University, Columbus, Ohio.

- 1989 Clinical Award in Preventive Medicine, Department of Preventive Medicine for Research in Traditional Chinese Medicine at Tongji Medical University, Peoples Republic of China; Ohio State University, Columbus, Ohio.
- 1989 Thomas E. Rardin, MD, Award from the Ohio Academy of Family Physicians for Essay "Research During Residency?" Ohio State University, Columbus, Ohio.
- 1990 Nominee for North Carolina Academy of Family Physicians Second Year Resident of the Year, University of North Carolina, Chapel Hill, North Carolina.
- 1991 "Adjunct" to State of North Carolina Japan Center for Service to the North Carolina Japan Center and the local Japanese Community, Raleigh, North Carolina.
- 1991 Nominee for North Carolina Academy of Family Physicians Third Year Resident of the Year, University of North Carolina, Chapel Hill, North Carolina.
- 1996 Award for Best Paper of the Year, 日本人家庭医療研修医の研修プログラムに対する態度：米国研修医との比較 (The Attitudes of Japanese Family Medicine Residents Towards Their Training Programs: A Comparison with Those of United States Residents), published in the 1995 Japanese Journal of Primary Care, presented by the Japanese Academy of Primary Care, Hiroshima, Japan.
- 1998 Ramesh Verma Diversity Award, University of Michigan Health System, Ann Arbor, Michigan.
- 2005 First Annual Cultural Competency Exchange Group Award, Program for Multicultural Health, Cultural Competency Division, University of Michigan, Ann Arbor, Michigan.
- 2007 – 2008 Best Doctors in America®, Best Doctors®, Inc.
- 2009 Best Doctor at SuggestADoctor.com.
- 2011 Faculty Mentor Award for Resident Original Projects, Department of Family Medicine, University of Michigan, Ann Arbor, Michigan.
- 2011 – 2013 Best Doctors in America®, Best Doctors®, Inc.
- 2013 The Laurita Thomas Diversity Award, University of Michigan Health System, Ann Arbor, Michigan.
- 2014 Selected For Best Oral Presentation by a Faculty/Teacher. Fetters MD, Khidir A, Maha M, Abdelrahim H, Qaiser H, Plegue M, Sen A, Padela A, Hammoud M, Alkhal K, Aikens J. Multicultural Assessment Inventory: Psychometric Testing Demonstrates Internal Consistency, Reliability and Validity for Assessing Acculturation in Health Care Research. Annual Michigan Family Medicine Research Day XXXVII Conference, Howell, Michigan, May, 2014.
- 2014 Best Doctors in America®, Best Doctors®, Inc.
- 2015-2016 Best Doctors in America®, Best Doctors®, Inc.

Memberships in Professional Societies

1985 – Present	American Medical Association (AMA)
1989 – 1994	North Carolina Academy of Family Physicians (NCAFP)
1989 – Present	American Academy of Family Physicians (AAFP)
1990 – Present	World Organization of National Colleges (WONCA), Academies and Academic Associations of General Practitioners/Family Physicians
1992 – 1995	Association of Teachers of Preventive Medicine (ATPM)
1992 – Present	Japanese Academy of Family Medicine
1992 – Present	Japanese Academy of Primary Care
1994 – 1998	Society for Health and Human Values
1994 – Present	Michigan Academy of Family Physicians (MAFP)
1997 – 1998	American Association of Bioethics
1998 – 2000	American Society of Bioethics and Humanities
2000 – Present	The Japan Society for Medical Education

Editorial Positions, Boards, and Peer-Review Service

Editorial Positions/Boards

2005 – 2008	<i>Journal of Mixed Methods Research (JMMR)</i>
2009 – Present	<i>Journal of Mixed Methods Research (JMMR)</i> , Associate Editor

Peer-Review Service

1996	<i>Social Science and Medicine</i>
1997	<i>Journal of American Medical Association (JAMA)</i>
1998	<i>American Journal of Obstetrics and Gynecology</i>
1998	<i>Bioethics</i>
1998	<i>Annals of Behavioral Science and Medical Education</i>
1999	<i>Annals of Internal Medicine</i>
1999	<i>Journal of Family Practice</i>
2000	<i>Journal of Japanese Studies</i>
2001	<i>Journal of Clinical Ethics</i>
2002	<i>Journal of Palliative Medicine</i>
2002	<i>Health Sciences</i>
2002	<i>Journal of Medicine and Philosophy</i>
2003	<i>Journal of Health & Social Behavior</i>
2003, 2004, 2007, 2009	<i>Annals of Family Medicine</i>

- 2004 Physician and patient prioritization model of health maintenance examinations. Decision Consortium, The May Conference, May.
- 2004 Before I just thought about medical care: General practitioners' experiences with long-term care insurance in Japan. Long-term Care Conference, January.
- 2004 Discussion: An Hmong family. UMHS Diversity Community Read, October.
- 2004 Racism in medicine: What can we learn from the book, *Why are all the black kids sitting together in the cafeteria?* Family Medicine Medical Ethics Curriculum, December.
- 2004 Another take on consent during physical examinations: Findings from the decisions about preventive services study. Bioethics Values and Society Faculty Seminar, March.
- 2004 Grant writing. AMSSM Research Workshop for Primary Care Sports Medicine Fellows, July.
- 2005 Caring for Japanese patients. United Asian American Medical Student Association, February.
- 2005 Informed consent during routine primary care? Department of Family Medicine Resident Conference, March.
- 2006 Introduction to medical ethics: Who decides? Department of Family Medicine, June.
- 2006 Depression in Japanese people living in Michigan. Depression Center Colloquium Series, February.
- 2006 Decisions about preventive services: A new model for delivery. Grand Rounds, Department of Family Medicine, November 2006.

- 2007 Writing about teaching of medical ethics: The Wizard of Osler and Readers' Theater. Bioethics Program and the Life Sciences & Society Program, April.
- 2007 "Doc, what do you think is the answer to the health mess?" Family Medicine Medical Ethics Curriculum, December.
- 2007 Current teachings of ethics and professionalism at the University of Michigan: A survey of course and clerkship directors. Bioethics Program and the Life Sciences & Society Program, September.
- 2007 Withdrawal of life-sustaining treatment: The ethical foundation. Ethics in Family Medicine Curriculum, October.
- 2007 Medical care in Japan, health care organization: An international perspective, School of Public Health, October.
- 2008 Culturally sensitive care for patients: Lessons learned from caring for Japanese patients. FRIENDS meeting, May.
- 2008 Falling through the cracks. The role of root cause analysis in quality improvement. Outpatient Morbidity and Mortality Conference, Department of Family Medicine, May.
- 2008 Evaluation of teaching in ethics & professionalism at the University of Michigan Medical School: A case study. Medical Education Day 2008, Towsley Center, June.
- 2008 Ethics. Department of Family Medicine Grand Rounds, September.
- 2008 Election 2008: Ethical implications for health care. Bioethics Grand Rounds, September.
- 2008 Improving the health of minority women: lessons learned from caring for Japanese Women. Women's Health Program, Annual Women's Health Retreat, November.
- 2009 Providing culturally competent health care to Japanese patients: looking forward, looking back. University of Michigan Grand Rounds, September.
- 2009 Free Clinics: A review of the literature for establishing a research agenda. UROP Celebrating 20 Years of Seeking Answers, 2009 Spring Symposium Student Poster Presentations, April.
- 2009 A collaboration between the Detroit Science Center and the University of Michigan, MICHR Community Forum, Detroit Science Center, MICHR. Medical Marvels interactive Translational Research Experience (MITRE), May.
- 2009 UMHS guidelines for adult preventative care. Geriatric Noon Clinical Conference Seminar Series, East Ann Arbor Health and Geriatrics Center, May.
- 2009 Medical Marvels interactive Translational Research Experience (MITRE). Partners for Health Communities Symposium Program, May.
- 2009 Ethics. University of Michigan Grand Round, September.
- 2010 Case studies of Japanese families in Michigan. Understanding your Japanese Students Conference, International Institute, June.

- 2010 Use of force in the care of children: Ethics and humanities perspectives. Medical Ethics in Family Practice Core Curriculum, Ethics presentation to residents during Family Medicine Grand Rounds, Department of Family Medicine, June.
- 2010 Ethics, Advance Care Planning: Do-not-resuscitate order failures and fixes, University of Michigan Grand Rounds, March.
- 2010 Public opinions on participating in medical research and about medical researchers: Findings from the medical marvels interactive translational research experience (MITRE) project baseline survey in the Detroit Science Center. First Annual Bioethics Research Colloquium, May.
- 2010 Medical Marvels Interactive Translational Research experience (MITRE): Use of a community forum to teach about informed consent for research. Center for Bioethics and Social Sciences in Medicine Seminar, October.
- 2011 Cultural issues in patient care – the example of Japanese patients, lecture for Medical Anthropology class, February.
- 2011 Mixed Methods Research Design – basic workshop, Aalborg Psychiatric Summer School, Aalborg Psychiatric Hospital, Aalborg University Hospital, Aalborg, Denmark.
- 2011 – 2012 Course Instructor, Japan Independent Study, Center for Japanese Studies 591-13, University of Michigan, Ann Arbor, Michigan.
- 2011 – 2014 Adult Clinical Preventive Care (UMHS Clinical Guideline), Co-author. Audience: This self-study activity is appropriate for primary care clinicians and other health care providers offering preventive health care for adults. (Self Study, available through the UM CME website: <http://ocpd.me.umich.edu/cme>).
- 2012 Mixed Methods Research Design – basic workshop, Aalborg Psychiatric Summer School, Aalborg Psychiatric Hospital, Aalborg University Hospital, Aalborg, Denmark.
- 2013 Mixed Methods Research Design – basic workshop, Aalborg Psychiatric Summer School, Aalborg Psychiatric Hospital, Aalborg University Hospital, Aalborg, Denmark.
- 2014 Mixed Methods Research Design – basic workshop, Aalborg Psychiatric Summer School, Aalborg Psychiatric Hospital, Aalborg University Hospital, Aalborg, Denmark.
- 2014 Mixed Methods Research Design – advanced workshop, Aalborg Psychiatric Summer School, Aalborg Psychiatric Hospital, Aalborg University Hospital, Aalborg, Denmark.

Committee, Organizational, and Volunteer Service

Committee-National

- 1992 – 1998 Society of Teachers of Family Medicine (STFM) – International Steering Committee (Secretary 1995 – 1997; Vice-Chairman 1997 – 1998).

1999 – 2001 Group on Ethics and Humanities (Co–Chair).
2003 – 2004 Planning Committee, Robert Wood Johnson Generalist Faculty
Scholars Program Meeting, Houston, Texas.

Committee-Institutional

1991 – 1992 Family Practice Residency Director Search Committee,
University of North Carolina, Department of Family Practice,
Chapel Hill, North Carolina.

1992 – 1994 Clinical Scholars Program Computer Committee,
University of North Carolina, Clinical Scholars Program,
Chapel Hill, North Carolina.

1996 – 2001 Family Practice Professional Skills Curriculum Committee,
University of Michigan, Department of Family Medicine,
Ann Arbor, Michigan.

1996 – 2006 Pediatrics Ethics Committee, University of Michigan Health
Systems, Ann Arbor, Michigan.

1998 – 1999 Community Relations Task Force, University of Michigan Health
System, Ann Arbor, Michigan.

2000 – 2003 Faculty Selection Committee, Bioethics Program, University of
Michigan Health System, Ann Arbor, Michigan.

2000 – Present Committee on Student Biomedical Research, University of
Michigan Health System, Ann Arbor, Michigan.

2004 – 2005 Data Safety and Monitoring Board, University of Michigan
Comprehensive Cancer Center Chemoprevention Program,
Ann Arbor, Michigan.

2007 – 2008 Faculty Fellowship Committee, Center for Japanese Studies,
University of Michigan, Ann Arbor, Michigan.

2007 – Present Clinical Lead, Adult Preventive Services Guideline Committee,
University of Michigan Health System, Ann Arbor, Michigan.

2008 – 2010 Family Practice Professional Skills Curriculum Committee,
University of Michigan, Department of Family Medicine,
Ann Arbor, Michigan.

2010 – Present Global Health and Community Service Task Force, University of
Michigan, Department of Family Medicine, Ann Arbor, Michigan.

2010 – Present Faculty Research Grants Committee, Center for Japanese Studies,
University of Michigan, Ann Arbor, Michigan.

2011 – Present Center for Bioethics and Social Sciences in Medicine (CBSSM),
University of Michigan, Ann Arbor, Michigan.

2012 Reviewer, Individual Fellowship (IIF) applications for
International Institute, University of Michigan,
Ann Arbor, Michigan.

2012 Pilot Grant Program Reviewer for Michigan Institute for Clinical
and Health Research (MICHHR) at University of Michigan,
Ann Arbor, Michigan.

2013 Global Reach, University of Michigan, Ann Arbor, Michigan.

2013-2015 Student Biomedical Research Program (SBRP), Faculty Advisory Subcommittee, University of Michigan, Ann Arbor, Michigan.
 2014-Present UMMS Global Health and Disparities Path of Excellence, University of Michigan, Ann Arbor, Michigan.

Study Sections

1996 Agency for Health Care Policy and Research, MEDTEP Research on Non-Cancerous Uterine Conditions.
 2003 Office of the Vice President for Research and the Life Sciences, Values and Society Program Seed Grant Program, University of Michigan, Ann Arbor, Michigan.
 2007 – 2008 University of Michigan, Center for Japanese Studies Faculty Research Grants Committee, Ann Arbor, Michigan.
 2007 – 2008 University of Michigan, Michigan Institute for Clinical and Health Research Pilot Program Scientific Review Committee, Ann Arbor, Michigan.
 2009 Millennium Promise Awards: Non-communicable Chronic Diseases Research Training Program for the Fogarty International Center, National Institutes of Health, Bethesda, Maryland.
 2010 Millennium Promise Awards: Non-communicable Chronic Diseases Research Training Program for the Fogarty International Center, National Institutes of Health, Bethesda, Maryland.
 2010 Special Emphasis Panel/Scientific Review Group, National Institutes of Health, Bethesda, Maryland.
 2010 Recovery Act Limited Competition: Framework Programs for Global Health Signature Innovations Initiative, National Institutes of Health, Bethesda, Maryland.

Guideline Panels

2009 – Present UM Adult Preventive Services Guideline Committee – Chair, Ann Arbor, Michigan.
 2011 NIH Guidelines for Mixed Methods Research, Office of Behavioral and Social Science Research, Bethesda, Maryland.
 2012 Family Medicine Program Development, Inoue Hospital, Nagasaki, Japan.

Consulting Positions

Research

1996 – 1997 Japanese Ministry of Health and Welfare. 妊産婦死亡の原因の究明に関する研究 (Investigation of the Causes of Maternal Mortality). PI: Ken Nagaya, MD.
 1997 SmithKline Beecham. Investigating Physician Treatment Decision Making in Japan.

- 1999 Health Media Inc. Advising on Technical Translation of Japanese and Culturally Competent Materials on Preventive Health for use in Japan.
- 2000 – 2001 Association of Teachers of Preventive Medicine and the Centers for Disease Control and Prevention. Fluoride Information Program (FIP). Vaccine Information Program. PI: Amid Ismail, BDS, MPH, DrPH.
- 2002 – 2003 Japanese Ministry of Health, Labour, and Welfare. The Role of Families and Public In-home Help Services in Determining the Institutionalization of the Elderly.
PIs: Ryutaro Takahashi, MD, PhD; Yuko Suda, PhD.
- 2002 – 2003 Japanese Ministry of Education and Science. The Experience of Care: Searching for Factors to Maximize the Effect of Public In-Home Help Services. PI's: Ryutaro Takahashi, MD, PhD; Yuko Suda, PhD.
- 2003 – Present Shiga University Medical Sciences, Residency Program Development, Shiga, Japan.
- 2007 – 2008 Medical Cyberworlds, Inc. Digital Media in Education and Development of Massive Multiplayer Online Gaming for Teaching Medical Ethics and Humanities, Madison, Wisconsin.
PI: Fred Kron, MD.
- 2010 – 2011 Blue Cross Blue Shield of Michigan Safety Net Planning Committee.
- 2012 Family Medicine Program Development, Inoue Hospital, Nagasaki, Japan.

Education

- 2000, 2002, 2005 Curriculum development-student and resident. Department of General Medicine, Nagoya University, Nagoya, Japan.
- 2000, 2007 Curriculum development-resident. Department of General Medicine, Nagasaki University, Nagasaki, Japan.
- 2000 Curriculum development-resident, General Medicine, Oita University, Oita, Japan.
- 2003 – 2009 Curriculum reform and development. Shiga University Medical Sciences, Shiga, Japan.
- 2005 – 2006 Curriculum development-student and resident, Mie Medical School, Mie University, Tsu, Japan.
- 2008 – Present Residency program creation, development and implementation through collaboration of hospital directors, city mayors and prefectural governors, Shizuoka Family Medicine Training Program, Kikugawa, Iwata and Mori-machi cities, Shizuoka, Japan.

Legal
2003

Expert witness on criminal case of Japanese male tried in Michigan. Neil H. Fink, Esq., PC., Detroit, Michigan.

Visiting Professorships, Seminars, and Extramural Invited Presentations

Visiting Professorships

1. Research methods consultation and grand rounds. Department of Family Medicine, Thomas Jefferson University, Philadelphia, Pennsylvania, November 2001.
2. Resident and student curriculum development, lecturing, grand rounds. Shiga University of Medical Science, Shiga, Japan, June 2005.
3. Resident and student clinical teaching consultation, program development and small group teaching. Department of Medical Education, Mie University School of Medicine, Mie University, Tsu-city, Mie Prefecture, Japan, October 2006.
4. Resident and student curriculum development, teaching, grand rounds. Department of Medical Education, Mie University School of Medicine, Mie University, Tsu-city, Mie Prefecture, Japan, May 2007.
5. Ethics curriculum development and grand rounds. University of Louisville, Louisville, Kentucky, 2007.
6. Research development and grand rounds, McGill University, Montreal, Quebec, Canada, October 2008.
7. Research development and grand rounds. Louisiana State University School of Nursing, New Orleans, Louisiana, May 2009.
8. Research development and grand rounds, Graduate School, College of Medicine, Tokyo University, Tokyo, Japan, November 2009.
9. Shizuoka – University of Michigan Advanced Residency Training, Exchange and Research in Family Medicine (SMARTER Family Medicine) Project, Shizuoka Prefecture, Japan, April 2010.
10. Shizuoka – University of Michigan Advanced Residency Training, Exchange and Research in Family Medicine (SMARTER Family Medicine) Project, Shizuoka Prefecture, Japan, April, September 2011.
11. Shizuoka – University of Michigan Advanced Residency Training, Exchange and Research in Family Medicine (SMARTER Family Medicine) Project, Shizuoka Prefecture, Japan, January, April, September 2012.
12. Shizuoka – University of Michigan Advanced Residency Training, Exchange and Research in Family Medicine (SMARTER Family Medicine) Project, Shizuoka Prefecture, Japan, January, April, July, October 2013.
13. Residency program development, Shiga University of Medical Science, Shiga, Japan, April 2011.
14. Residency program development, Shiga University of Medical Science, Shiga, Japan, September 2012.
15. Residency program development, Shiga University of Medical Science, Shiga, Japan, March, July, November 2013.
16. Residency program development, Shiga University of Medical Science, Shiga, Japan, March 2014.

17. Shizuoka – University of Michigan Advanced Residency Training, Exchange and Research in Family Medicine (SMARTER Family Medicine) Project, Shizuoka Prefecture, Japan, January, March, April 2014.
18. Shizuoka – University of Michigan Advanced Residency Training, Exchange and Research in Family Medicine (SMARTER Family Medicine) Project, Shizuoka Prefecture, Japan, January 2015.

Seminars/Workshops

1. Creswell JW, Fetters MD, Ivankova NV. Developing a rigorous, systematic multi-method study in family medicine. North American Primary Care Research Group (NAPCRG), New Orleans, Louisiana, November 2002.
2. Fetters MD, Sebata K. 質的研究における実用的手法 (Practical methods in qualitative research). The Fourth International Primary Care Forum – Qualitative research in primary care, Nagoya University, Japan, November 2002.
3. Fetters MD. Family practice in Japan. WONCA/American Association of Family Physicians Convention 2004, Orlando, Florida, October 2004.
4. Fetters MD, Ivankova NV, Creswell JW. Conducting mixed methods studies in family medicine. Society of Teachers of Family Medicine (STFM), Annual Meeting, New Orleans, Louisiana, May 2005.
5. Creswell JW, Plano-Clark V, Fetters MD. How to design a mixed methods study. Second Mixed Methods Conference, Cambridge, England, July 2006.
6. Fetters MD, Pluye P. Mixed methods research: Introduction, research questions, study design and implementation planning. North American Primary Research Group (NAPCRG), Montreal, Quebec, Canada, November 2009.
7. Fetters MD, Pluye P. Mixed methods workshop, North American Primary Care Research Group (NAPCRG), Seattle, Washington, November 2010.
8. Fetters MD, Jorgensen R. Mixed methods research design, Aalborg Psychiatric Hospital, Aarhus University Hospital, Aalborg, Denmark, August-September 2011.
9. Fetters MD, Pluye P. Mixed methods research: Introduction, research questions, study design and implementation planning, North American Primary Care Research Group (NAPCRG), Banff, Alberta (Canada), November 2011.
10. Fetters MD, Jorgensen R. Mixed methods research design, Aalborg Psychiatric Hospital, Aarhus University Hospital, Aalborg, Denmark, August 2012.
11. Fetters MD, Crabtree B. 静岡家庭医養成プログラム混合研究法ワークショップ Shizuoka family medicine mixed methods workshop, Kikugawa, Japan, September 2012.
12. Fetters MD. 家庭医療レジデント募集ワークショップ：米国における家庭医療研修 Family medicine recruitment workshop: Family medicine residency in the US, Mori-machi, Japan, September 2012.
13. Fetters MD. 混合研究法を用いた研究のデザイン Designing mixed methods research projects workshop at Faculty of Medicine, University of Tokyo, Tokyo, Japan, January 2013.
14. Fetters MD, Crabtree B, Jorgensen R. Mixed Methods research design, Aalborg Psychiatric Hospital, Aarhus University Hospital, Aalborg, Denmark, August 2013.
15. Fetters MD. Family medicine mixed methods workshop: "混合研究法のリサーチクエスチョン (Mixed methods research question)," "混合研究法デザイン (Mixed Methods Designs)," " 研究実施計画書 (Implementation matrix)," Shizuoka, Japan, October 2013.

16. Fetters MD. International Mixed Methods Research Symposium: 混合研究法概説 (Introduction to mixed methods research), Tokyo, Japan, October 2013.
17. Fetters MD. Qualitative field observations 101: Practical skills and approaches for enriching primary care research projects (workshop), North American Primary Care Research Group (NAPCRG), Ottawa, Ontario, Canada, November 2013.
18. Fetters MD. Introduction to Mixed Methods Research, Japan Academy of Community Health Nursing, Faculty of Nursing, Toho University, Ota-ku, Tokyo, Japan, March, 2014.
19. Fetters MD, Crabtree B. Qualitative Methods Workshop, Mie University, Tsu City, Mie Prefecture, Japan, October 2014.
20. Fetters MD. Practical approaches to integration in Mixed Methods Research (workshop), NAPCRG, New York, NY, November 2014.
21. Fetters MD. マイク先生：「家庭医が知っておくべき医療エコロジー」 "What every family physician needs to know about the ecology of medical care," Grand Rounds, Kikugawa Family Medicine Center, Kikugawa, Shizuoka, Japan, January 2015.
22. Fetters MD, Crabtree B. Research Workshop: Doing Qualitative Analysis, 質的データ分析の実際, Kakegawa-shi Shogai Gakushu Center, Kakegawa, Shizuoka, Japan, January 2015.
23. Fetters MD, Crabtree B. Research lectures (for PGY1&2), Kakegawa, Shizuoka, Japan, January 2015.
24. Fetters MD. UM Alumni Talk: U of M Japanese Family Health Program: Delivering culturally appropriate health care and medical training, Kakegawa, Shizuoka, Japan, January 2015.
25. Creswell JW, Fetters MD. China National Master of Public Administration Meeting, Mixed Methods Research Workshop, Beihang University, Beijing, China, March 2015.
26. Creswell JW, Fetters MD. Mixed Methods Research Workshop and research consultations, George Institute of Global Health, Beijing, China, March 2015.
27. Creswell JW, Fetters MD. Beijing Mixed Methods Symposium and Workshops, Guanghua School of Management, Peking University, Beijing, China, March 2015.
28. Fetters MD. Qualitative Data Analysis Workshop, George Institute of Global Health, Beijing, China, March 2015.
29. Fetters MD. Easy Steps to your First Publication, Workshop, St. Paul's Hospital, Addis Ababa, Ethiopia, May 2015.
30. Fetters MD, Creswell, Johnson B, Bazeley P. 混合研究法国際シンポジウム@青学 (Mixed Methods Research International Symposium @Aogaku), Aoyama Gakuin University, Aogaku, Japan, September 2015.
31. Fetters MD, Creswell JW, Johnson RB, Crabtree BF, Bazeley P, Inaba M, Kikai H, Naito T, Hirose M, Yasuda H. Mixed Methods International Research Association (MMIRA) Conference (2015), (Opening and Closing remarks, Panel discussions, Introduction to Mixed Methods Research Workshop and "Meet the Experts" session), Osaka, Japan, September 2015.
32. Fetters MD, Creswell JW. Qualitative and Mixed Methods Workshop, The University of Michigan/VA Center for Clinical Management Research Qualitative and Mixed Methods Core Group, Ann Arbor, Michigan, November, 2015.
33. Fetters MD, Creswell JW. Designing a Mixed Methods Project: An Interactive Participatory Workshop, The University of Michigan, Ann Arbor, Michigan, March 2016.

Extramural Invited Presentations

Keynote Presentations at Professional Meetings

1. Fetters MD. Primary care research is needed: Office-based research networks are possible. Nagoya-Michigan, US-Japan Family Medicine Exchange Program, Fall 1999.
2. Fetters MD. Suzuki T. Developing a medical ethics curriculum. Second Nagoya-Michigan Primary Care Forum, Nagoya University, Nagoya, Japan, September/October 2000.
3. Fetters MD. プライマリ・ケア医の卒前医学教育への参加 — 成功するための STFM プリセプター教育プロジェクトの方略 (Primary care physician's participation in undergraduate medical education: Strategies for success from the STFM Preceptor Education Project). Japanese Academy of Family Physicians, Tokyo, Japan, November 2002.
4. Fetters MD, Family physician training in Japan, co-leader and panelist for symposium. Nagoya, Japan, November 2002.
5. Fetters MD. 集中治療医学と家庭医療学：よりよい治療を目指して (Intensive care medicine and family medicine: Aiming for better patient care). 33rd Annual Meeting of the Japanese Society of Intensive Care Medicine, Intensive Care and Family Medicine (ICU Gakkai meeting), International Conference Center, Osaka City, Japan, March 2006.
6. Fetters MD. Current status of group practice in the United States and Canada-Problems and insights for Japan. Sixteenth Japanese Society of Group Practice Meeting, Tokyo, Japan, November 2009.
7. Fetters MD. Throwing health sciences into the mixed methods mix. Sixth Mixed Methods International Conference, Baltimore, Maryland, July 2010.
8. Fetters MD. Virtual patients, cross-cultural research in four languages and adaptive trials: Innovative applications of mixed methods research. NIH Behavioral and Social Science Research Lecture Series, Rockville, Maryland, May 2011.
9. Fetters MD. Mixed methods in health sciences research: Combining qualitative and quantitative data for understanding perplexing problems. Aalborg Psychiatric Hospital, Aarhus University Hospital, Aalborg, Denmark, September 2011.
10. Fetters MD. Aalborg Integration in Mixed Methods Research. Aalborg Psychiatric Hospital, Aarhus University Hospital, Aalborg, Denmark, August 2014.
11. Fetters MD. Opening Ceremony, First Mixed Methods International Research Association Conference (2015), Osaka, Japan, September 2015.
12. Fetters MD. 混合研究法～よいスタートをきるために～ (Mixed Methods-Getting a good start), Aoyama Gakuin, Aogaku, November 2015.

International Invited Presentations

1. Fetters MD, Danis M. We live too short, and die too long – On Japanese and U.S. physicians' care-giving practices and approaches to withholding life sustaining treatments. Abe Program Seminar, Care and meaning in late life: Culture, policy, and practice in Japan and the United States. Zushi, Japan, February 1998.
2. Fetters MD. 高齢脳卒中患者の治療における文化的・政策的差異 (Cultural and policy differences in the treatment of an elderly stroke patient). Center for Global Partnership Public Forum – Japan – US dialogue on care for the elderly: Common challenges. Osaka and Tokyo, Japan, March 2000.

3. Fetters MD. 医療倫理カリキュラムの発展 (Developing a medical ethics curriculum). The Second Nagoya University – University of Michigan Primary Care Forum. Nagoya University, Kakuyu Kaikan, Japan, October 2000.
4. Fetters MD. 家庭医療学における研究 (Research in family medicine). The First Nagasaki-Michigan Family Medicine Forum, Nagasaki University Hospital, Nagasaki, City, Japan, October 2000.
5. Biggs WS, Fetters MD. アメリカにおける家庭医療学の卒後研修医教育 (Post-graduate residency education in family medicine in the United States). Mie University, Tsu City, Japan, October 2000.
6. Fetters MD, Biggs WS. アメリカの家庭医療学における卒後研修教育 (Post-graduate residency education in family medicine in the United States). Oita University Hospital, Oita City, Japan, October 2000.
7. Fetters MD. 家庭医療における大学病院と地域医師会の関係 (The Relationship in family medicine between university hospitals and the local medical association). The First Oita Family Physician Research Meeting, Oita City, Japan, October 2000.
8. Fetters MD. 家庭医療学における卒後教育 (Post-graduate education in family medicine). Oita City, Japan, October 2000.
9. Fetters MD. プライマリ・ケア医の卒前医学教育への参加 — 成功するための STFM プリセプター教育プロジェクトの方略 (Primary care physicians' participation in undergraduate medical education: Strategies for success from the STFM preceptor education project). Shiga University of Medical Science, Shiga, Japan, March 2003.
10. Fetters MD. Shiga University of Medical Science. 卒後研修の日米間の違い (Differences in post graduate training in Japan and the United States). Shiga, Japan, March 2003.
11. Fetters MD. 日本における世界標準の家庭医療研修 (World-class family medicine residency training in Japan). Mizushima Cooperative Hospital. Kurashiki, Japan, November 2004.
12. Fetters MD. アメリカにおける家庭医療教育と研修医教育 (Family medicine education and residency education in the United States). Kawasaki Medical School, Kurashiki, Japan, November 2004.
13. Fetters MD. 考え方の転換：独立した家庭医療センターは必須である (Thinking outside the box: Independent family medicine centers are essential). Kawasaki Medical School, Kurashiki, Japan, November 2004.
14. Fetters MD. Osaka Primary Care Seminar. 家庭医療は患者のニーズにどう応えるか. (How family medicine responds to patient needs). Osaka, Japan, November 2004.
15. Fetters MD. 家庭医療学における医学生及び研修医の教育 (Medical student and resident education in family medicine). Nagoya University, Department of General Medicine, Nagoya, Japan, December 2005.
16. Fetters MD. ミシガン大学医学部の家族中心の体験学習と滋賀医科大学の全人的医療学習の比較-質の高い医学教育を目指して (Family case study experience of the University of Michigan and the holistic care of the patient experience of Shiga University of Medical Science). Shiga, Japan, December 2005.
17. Fetters MD. 家庭医療学におけるグループプラクティスの利点と問題点 (Pros and cons of group practice in family medicine). Mie University Medical College, Department of General Medicine, Mie, Japan, December 2005.

18. Fetters MD. 患者ケアとクリニカル・マネジメント：家庭医より初期研修への臨床珠玉 (Clinical pearls from a family physician to preliminary residents). Kanazawa Medical University Hospital, Kanazawa, Japan, February 2006.
19. Fetters MD. Designing & conducting mixed methods research. Mixed Methods Conference 2006. Fitzwilliam College, Cambridge, UK, July 2006.
20. Fetters MD. ライフステージと健康：家庭医療学の焦点 (Life stage and health: Perspectives from family medicine). Mie University Hospital, Tsu City, Mie Prefecture, Japan, October 2006.
21. Fetters MD. 研修医・学生にとって魅力的な指導法 (Teaching that engages residents and students). Mie University Hospital, Tsu City, Mie Prefecture, Japan, October 2006.
22. Fetters MD. 研修医・学生にとって魅力的な指導法：成人学習モデルの利用 (Using the adult learning model to engage residents and students), Suzuka Kaisei Hospital, Suzuka City, Mie Prefecture, Japan, October 2006.
23. Fetters MD. 家庭医療学というのは？家庭医と開業医の類似点及び相違点 (What is family medicine? Similarities and differences between family physicians and private practitioners). Seirei Hamamatsu Hospital, Hamamatsu City, Shizuoka Prefecture, Japan, October 2006.
24. Fetters MD. Visiting professor of medical education, educational consultation and Grand Rounds, 日本の学生及び研修医の教育改善の可能性：北米の臨床医学教育より (Potential improvements in student and resident education in Japan: Referencing US medical education). Mie University, Tsu City, Mie Prefecture, Japan, May 2007.
25. Fetters MD. 日本の家庭医療学において研修医を養成する理由と方法：なぜ？そして、どのように？ (Reasons and methods for training residents in Family Medicine in Japan: Why and how?) Asoizuka Hospital, Japan, July 2007.
26. Fetters MD. 家庭医療学のアプローチ—家庭医から医学生に贈る臨床珠玉 (The family medicine approach: Clinical pearls from a family physician for medical students). First Nagasaki Family Medicine Intensive Seminar on Goto Island, Japan, July 2007.
27. Fetters MD. 家庭医療学とは何か。学生への紹介 (What is family medicine? An introduction for students). First Nagasaki Family Medicine Intensive Seminar on Goto Island, Japan, July 2007.
28. Fetters MD. 大学と製薬会社の関係における共同研究と倫理的配慮の在り方：ミシガン大学での経験に基づいて (Status of research collaboration and ethical considerations in university-pharma relationships: Thoughts from the University of Michigan). Kyushu, Japan, October 2007.
29. Fetters MD. Research consultation and grand rounds, Bumps and bruises in conducting mixed methods research: Practical lessons learned. McGill Family Medicine Research Seminar, McGill University, Montreal, Quebec, Canada, October 2008.
30. Fetters MD. 家庭医療学というのは？ 医学生への紹介 (What is family medicine? An introduction for students). Kitasato University, Sagamihara, Kanagawa, Japan, December 2008.
31. Fetters MD. 家庭医療学への誘い：家庭医からの臨床珠玉 (Introduction to family medicine: Clinical pearls to illustrate the family medicine approach). Kitasato University, Sagamihara, Kanagawa, Japan, December 2008.

32. Fetters MD. 家庭医療学というのは？ 医学生への紹介 (What is family medicine? An introduction for students). Iwata General City Hospital, Iwata City, Shizuoka, December 2008.
33. Fetters MD. 家庭医療学への誘い： 家庭医からの臨床珠玉 (Introduction to family medicine: Clinical pearls to illustrate the family medicine approach). Shizuoka General Prefectural Hospital, Tsukinowa-cho, Seta, Otsu, Shiga, Japan, December 2008.
34. Fetters MD. 家庭医のアプローチ： 研修医への臨床珠玉 (The family medicine approach: Clinical pearls for residents). Iwata General City Hospital, Iwata City, Shizuoka, Japan, December 2008.
35. Fetters MD. 医療現場における実用的英会話： その第一歩は英語で考えること (Practical English in clinical care: The first step is thinking in English). Iwata General City Hospital, Iwata City, Shizuoka, Japan, December 2008.
36. Fetters MD. 研修医にとって魅力的な指導法： 成人学習モデルの利用 (Using the adult learning model to engage residents). Iwata General City Hospital, Iwata City, Shizuoka, Japan, December 2008.
37. Fetters MD. 初期研修研修のロテーション： 最大限に活かすコツ (Maximizing success during junior resident rotations). Iwata General City Hospital, Iwata City, Shizuoka, Japan, December 2008.
38. Fetters MD. 臨床症例検討会： 不正出血と妊娠検査の陽性反応 (Clinical Case Conference: Vaginal bleeding and positive pregnancy test). Iwata Shiritsu Hospital, Iwata City, Japan, April 2009.
39. Fetters MD. Validating a qualitatively generated conceptual model with quantitative survey data in an exploratory mixed methods study on career pathways medical students take in Japan. 5th Annual Mixed Methods Conference, Harrogate, North Yorkshire, UK, July 2009.
40. Fetters MD. 外来診療における腹部痛： 患者本位の身体検査技術 (Abdominal pain in outpatient care: Skills for a patient-centered physical examination). Iwata City General Hospital, Iwata City, Shizuoka, Japan, August 2009.
41. Fetters MD. 21世紀にふさわしい専門科： 家庭医療 (Family medicine—Japan's emerging specialty of the 21st Century). Graduate School, College of Medicine, Tokyo University, Tokyo, Japan, November 2009.
42. Fetters MD. Cultural competence: Lessons learned, challenges coming. Weill Cornell Medical College in Qatar, Doha, QA, February 2010.
43. Cultural competence: Lessons learned, challenges coming. Al Hajar Auditorium at HMC, Doha, QA, February 2010.
44. Fetters MD. アメリカでの家庭医療学の経験に基づいた中東遠地域における家庭医療の普及方法 (How to bring family medicine to life in the Chutoen Region based on experience of Family Medicine in the United States). Fujieda General Hospital, Fujieda City, Japan, April 2010.
45. Fetters MD. アメリカにおける家庭医療学 (Family medicine in the United States). Shizuoka Family Medicine Training Program, Iwata City, Japan, April 2010.
46. Fetters MD. 小児医療 — ライフスタイル、発達指標と小児健診 (Pediatrics-Lifestyles, developmental milestones, and well child care). Shizuoka Family Medicine Training Program, Iwata City, Japan, April 2010.

47. Fetters MD. 家庭医療研修医のためのオリジナルプロジェクト (Original projects for family medicine residents). Shizuoka Family Medicine Training Program, Kikugawa, Japan, April 2010.
48. Fetters MD. 静岡プログラムの研修医はミシガン大学で何を学ぶか? (What will Shizuoka program residents study at University of Michigan?) Shizuoka Family Medicine Training Program, Kikugawa, Japan, April 2010.
49. Fetters MD. 参加型身体検査、予防接種および児童虐待 (Participatory physical examination, vaccines and child abuse). Shizuoka Family Medicine Training Program, Iwata City, Japan, April 2010.
50. Fetters MD. Practical English in clinical care: The first step in thinking in English. Shizuoka Family Medicine Training Program, Iwata City, Japan, April 2010.
51. Fetters MD. 児童虐待とネグレクト (Child abuse and neglect). Kikugawa General Hospital, Kikugawa City, Japan, April 2011.
52. Fetters MD. 米国における家庭医療 (Family medicine in the United States). Iwata City Hospital, Iwata City, Japan, April, 2011.
53. Fetters MD. 米国における家庭医療 (Family Medicine in the United States). Shizuoka Governor's Office, Shizuoka City, Japan, April 2011.
54. Fetters MD. 家庭医養成トレーニング：産婦人科医と小児科医の役割 (Role of OB/Gyn physicians and pediatricians in family physician residency training). Kikugawa General Hospital, Kikugawa City, Japan, April 2011.
55. Fetters MD. 家庭医養成トレーニング：産婦人科医と小児科医の役割 (Role of OB/Gyn physicians and pediatricians in family physician residency training). Iwata City Hospital, Iwata City, Japan, April 2011.
56. Fetters MD. 家庭医療研修医オリジナル学術プロジェクト入門 (Introduction to Family Medicine resident original scholarly projects). Kikugawa General Hospital, Kikugawa City, Japan, April 2011.
57. Fetters MD, Skye E. 小児の診療：健康を中心に (Examination of children: Focus on health). Shizuoka Family Medicine Program, Kikugawa City, Japan, April 2011.
58. Fetters MD. 医療現場における実用的英会話:その第一歩は英語で考えること (Practical English in clinical care: The first step is thinking in English). Kikugawa General Hospital, Kikugawa City, Japan, April 2011.
59. Fetters MD. 静岡家庭医養成事業プログラムの研修医はミシガン大学で何を学ぶか? (What will Shizuoka program residents study at University of Michigan?) Kikugawa General Hospital, Kikugawa City, Japan, April 2011.
60. Fetters MD. 少し) 過去を振り返り、(大きく!) 前進 (Looking back [a little]; Looking forward [a lot!]). Shizuoka Family Medicine Program, Iwata City, Japan, April 2011.
61. Fetters MD. ミシガン大学研修にあたっての必要書類について (UMHHC clinical visitor application documents). Kikugawa General Hospital, Kikugawa City, Japan, April 2011.
62. Fetters MD. 満期新生児の高ビリルビン血症 (Hyperbilirubinemia in term newborns). Shizuoka Family Medicine Program, Mori-machi Public Hospital, Shizuoka, Japan, September 2011.

63. Fetters MD. 家庭医療研修医オリジナル学術プロジェクト入門 (Introduction to Family Medicine resident original scholarly projects). Shizuoka Family Medicine training program, Kikugawa General Hospital, Kikugawa City, Japan, September 2011.
64. Fetters MD, Skye E, Iiyama A. 小児の診療：健康を中心に (Examination of children: Focus on health). Shizuoka family medicine workshop for residents, Kikugawa General Hospital, Kikugawa City, Japan, September 2011.
65. Fetters MD, Khidir A, Padela A, Al-Rawi S, Elnashar M, Abdelrahim, H, Hammoud M. Socio-cultural adaptation principals for research instruments in multilingual and multicultural settings, North American Primary Care Research Group (NAPCRG), Banff, Alberta (Canada), November 2011.
66. Fetters MD. 家庭医養成のための家庭医療センターと地域病院の連携 (Collaboration between the family medicine center and community hospital in family physician training). Kikugawa General Hospital, Kikugawa, Shizuoka, Japan, January, 2012.
67. Fetters MD. ハッピーな3歳児を育てるために：家庭医からのアドバイス (Raising a happy three-year-old child: Advice from a family physician). Mori-Machi Community Center, Mori-machi, Shizuoka, Japan, January 2012.
68. Fetters MD. 家庭医療研修医 オリジナル学術プロジェクト入門 (Introduction to Family Medicine resident original scholarly projects). Shizuoka family medicine training program, Kikugawa Family Medicine Center, Kikugawa, Shizuoka, Japan, January 2012.
69. Fetters MD. プロジェクトクエスションの組み立て方. (Asking research questions). Shizuoka Family Medicine Grand Rounds, Shizuoka, January, 2012.
70. Fetters MD. オリジナルプロジェクト：リサーチプロトコルの作成 (Developing a protocol for original projects). Shizuoka Family Medicine Grand Rounds, Shizuoka, Japan, January 2012.
71. Fetters MD. 小児の診療：健康を中心に (Examination of children: Focus on health). Kikugawa Family Medicine Center, Kikugawa, Japan, April 2012.
72. Fetters MD. 静岡家庭医養成事業プログラムの研修医はミシガン大学で何を学ぶか？ (What will Shizuoka program residents study at University of Michigan?) Mori-Machi Family Medicine Clinic, Mori-machi, Shizuoka, Japan, April 2012.
73. Fetters MD. ミシガン大学研修にあたっての必要書類について (UMHHC clinical visitor application documents). Mori-machi Family Medicine Clinic, Mori-machi, Shizuoka, Japan, April 2012.
74. Fetters MD. 家庭医養成のための家庭医療センターと地域病院の連携 (Collaboration between the family medicine center and community hospital in family physician training). Mori-machi Hospital, Mori-machi, Shizuoka, Japan, April 2012.
75. Fetters MD. 家庭医の有用性：米国を例に他科専門医との関わりを含めて (The utility of family medicine: Example of the United States including relations with other specialists). Keijukai Hospital, Shizuoka, Japan, April 2012.
76. Fetters MD. 児童虐待とネグレクト (Child abuse and neglect). Mori-machi Family Medicine Clinic, Mori-machi, Shizuoka, Japan, April 2012.
77. Fetters MD. 家庭医療研修医オリジナル学術プロジェクト入門 (Introduction to Family Medicine resident original scholarly projects). Shizuoka Family Medicine training program, Mori-machi Family Medicine Clinic, Mori-machi, Shizuoka, Japan, April 2012.
78. Fetters MD. 家庭医入門：専門性と各科にロテートする臨床研修へのアドバイス

- (Introduction to family medicine: Advice for residents rotating in multiple specialties). Iwata City Hospital, Iwata City, Shizuoka, Japan, April 2012.
79. Fetters MD. 米国のプライマリケアにおける家庭医、看護師、コメディカルのチームワーク：日本への可能性 (Family physician, nurse and support staff teamwork in primary care in the United States: Possibilities for Japan). Inoue Hospital, Nagasaki Kita Hospital, Nagasaki, Japan, July 2012.
 80. Fetters MD. 家庭医療はどのように日本の医療崩壊と少子高齢社会問題に答えられるか (How family medicine can respond to medical system deterioration and rapidly aging, low birth problems in Japan). 長崎リハビリテーション病院長崎市, Nagasaki Rehabilitation Hospital, Nagasaki, Japan, July 2012.
 81. Fetters MD. 家庭医療専門医が魅力的な理由: 米国を例に医学生やレジデントの観点から考える (The appeal of becoming a family medicine specialist: A perspective from the USA for students and residents). Inoue Hospital, Nagasaki, Japan, July 2012.
 82. Fetters MD. 米国における家庭医療研修 (Family medicine in the US, at the SMARTER Family Medicine (SFM) resident workshop). Shizuoka, Japan, September 2012.
 83. Fetters MD. Part 1: 混合研究方法を用いた研究：入門、リサーチクエスション、研究デザインおよび研究実施計画 (Mixed methods research: Introduction, research questions, study design and implementation planning, SFM mixed method research workshop for faculty development). (Dr. Fetters presented Parts 1, 3, and 5; Dr. Benjamin Crabtree presented Parts 2 & 4), Shizuoka, Japan, September 2012.
 84. Fetters MD. Part 3: データソース (Data source), Shizuoka, Japan, September 2012.
 85. Fetters MD. Part 5: 研究実施計画書 (Implementation matrix). Shizuoka, Japan, September 2012.
 86. Fetters MD. 一般的な乳房疾患 (Common breast problems). SFM Grand Rounds, Shizuoka, Japan, September 2012.
 87. Fetters MD. 家庭医療専門医が魅力的な理由: 米国を例に医学生やレジデントの観点から考える (The appeal of becoming a family medicine specialist: A perspective from the USA for students and residents). Tokyo University, Tokyo, Japan, September 2012.
 88. Fetters MD. 菊川、太田市長と家庭医療 (Kikugawa, Mayor Ota and family medicine). Kikugawa, Shizuoka, Japan, January 2013.
 89. Fetters MD. 「要旨の書き方」「データのまとめ方：論文執筆および出版」 (Abstract & manuscript writing). SFM Grand Rounds, Shizuoka, Japan, January 2013.
 90. Fetters MD. 「質的及び量的研究の基礎復習」 (Review of fundamentals of qualitative and quantitative research). SFM Grand Rounds, Shizuoka, Japan, January 2013.
 91. Fetters MD. 家庭医療の地域での役割-ミシガンから滋賀に伝えたいこと (Family Medicine's Role in the Community: Ideas from Michigan for Shiga). Shiga University of Medical Science and Shiga Medical Association, Shiga, Japan, July 2013.
 92. Fetters MD. 再入院率を下げるためのベストエビデンス (Best evidence for reducing hospital readmission). Shizuoka Family Medicine Training Program, Kikugawa Hospital, Kikugawa, Shizuoka, Japan, July 2013.
 93. Fetters MD. 少子高齢社会における 家庭医療の役割. (The role of family medicine in a low birth, rapidly aging society). Tokyo Metropolitan Institute of Gerontology, Tokyo, Japan, July 2013.

94. Fetters MD. 家庭医療専門医が魅力的な理由米国を例にレジデントの観点から考える (The appeal of becoming a family medicine specialist: A perspective from the USA for residents). Shonan Kamakura Tokushukai Hospital, Kamakura, Japan, September 2013.
95. Fetters MD. 家庭医療専門医が魅力的な理由米国を例にレジデントの観点から考える (The appeal of becoming a family medicine specialist: A perspective from the USA for residents). Setouchi Tokushukai Hospital 2013年9月12日瀬戸内徳洲会病院, Kagoshima, Japan, September 2013.
96. Fetters MD. 滋賀ミシガン交流による家庭医育成の提案 – これまでの日米国際協力で学んだ教訓を踏まえて (Ideas for family physician training through Shiga-Michigan collaborations: Lessons learned in US-Japan international activities in family medicine development). Shiga University of Medical Science, Otsu City, Shiga, Japan, November 2013.
97. Fetters MD. 家庭医療専門医が魅力的な理由米国を例に医学生やレジデントの観点から考える (The appeal of becoming a family medicine specialist: A perspective from the USA for students and residents). Shiga University of Medical Science, Otsu City, Shiga, Japan, November 2013.
98. Fetters MD. Benefits of collaborations, Shiga Michigan Family Medicine Forum, Shiga University of Medical Science, Otsu City, Shiga, Japan, November 2013.
99. Fetters MD. ウェブサイトの使い方 (How to use SMARTER FM Website). Mori-machi Hospital, Mori-machi, Japan, January 2014.
100. Crabtree B, Fetters MD. Hands-on workshop 抄録の書き方 (Writing an abstract). Mori-machi Hospital, Mori-machi, Japan, January 2014.
101. Aikens J, Crabtree B, Fetters MD. 家庭医療および健康科学研究所に用いる調査票の作成 (Developing surveys for use in family medicine and health sciences research). Research workshop, Takenomaru, Kakegawa, Japan, January 2014.
102. Fetters MD. オリジナルプロジェクト：カリキュラム概要 (Original project curriculum overview). Kikugawa Family Medicine Center, Kikugawa, Shizuoka, Japan, April, 2014.
103. Fetters MD. リサーチクエスチョン (Asking research questions). Kikugawa Family Medicine Center, Kikugawa, Shizuoka, Japan, April 2014.
104. Fetters MD. 静岡家庭医養成事業プログラムの研修医はミシガン大学で何を学ぶか? (What will Shizuoka program residents study at University of Michigan?). Kikugawa Family Medicine Center, Kikugawa, Shizuoka, Japan, April 2014.
105. Fetters MD. ミシガン大学ウェブサイト&オンライン教材紹介 (SMARTER FM Website & online educational resources). Kikugawa Family Medicine Center, Kikugawa, Shizuoka, Japan, April 2014.
106. Fetters MD. 小児診察の仕方 (Examination of children: Focus on health). Kikugawa Family Medicine Center, Kikugawa, Shizuoka, Japan, April 2014.
107. Fetters MD. プログラムの整形外科研修の担当ファカルティ（村田院長）：ミシガン大学の筋骨格系診察のビデオ教材について (U-M Department of Family Medicine online educational modules [Musculoskeletal exams, SFM]). Kikugawa General Hospital, Kikugawa, Shizuoka, Japan, April 2014.
108. Fetters MD. 家庭医療専門医が魅力的な理由米国を例にレジデントの観点から考える (The appeal of becoming a family medicine specialist: A perspective from the USA for

- residents). 磐田市立総合病院 Iwata Municipal General Hospital, Iwata City, Shizuoka, Japan, April 2014.
109. Fetters MD, Inoue M, Crabtree BF. 家庭医療学に適した研究課題の発展：よいプロジェクトを見つけるために (Developing appropriate research for family medicine: Finding a good project). Kikugawa Family Medicine Center, Kikugawa, Shizuoka, Japan, April 2014.

130. Fetters MD. 抄録の書き方 (Writing an abstract). Mori-machi Family Medicine Clinic, Mori-machi, Japan, January 2016.
131. Fetters MD. ポスター発表のコツ (Tips on Poster Presentations), Morimachi Family Medicine Clinic, Kikugawa, Shizuoka, Japan, January 2016.
132. Fetters MD. 素晴らしい口頭研究発表をする方法 (How to Make a Fantastic Oral Research Presentation), Morimachi Family Medicine Clinic, Kikugawa, Shizuoka, Japan, January 2016.
133. Fetters MD. "The appeal of becoming a family medicine specialist: A perspective from the USA for Students and Residents" 「家庭医療専門医が魅力的な理由：米国を例に医学生や研修医の視点から考える」 Family Medicine Conference at Sapporo Tokushukai Hospital, Hokkaido, Japan. February 2016.
134. Fetters MD. “Why you would want become a family doctor” 「あなたが家庭医療専門医になったら」 Shiga University Medical Science resident lecture, Shiga, Japan. March 2016.
135. Skye EP., Fetters MD, “How to advise residents and provide feedback” 「レジデントへのアドバイジングとフィードバック法」 Shiga Family Medicine Workshop, Shiga, Japan. March 2016.
136. Eric Skye & Mike Fetters “Core Clinical Skills and Their Assessment in the Family Medicine Clinic: Using mini-CEX” 「家庭医療現場で核となる臨床能力と評価法～mini-CEX の使い方～」 SFM Faculty Development Workshop, Shizuoka, Japan. March 2016.

National Invited Presentations

1. Burge SK, Fetters MD, Hunt L. Measuring culture. Panel Discussion, Primary Care Research Methods and Statistics Conference, San Antonio, Texas, December 1996.
2. Fetters MD. Truth telling of the cancer diagnosis in Japan: Implications for a model of family autonomy, MacLean Center for Clinical Medical Ethics, Department of Medicine, University of Chicago, Chicago, Illinois, March 1997.
3. Fetters MD. Perspectives on alternative medicine. Alpena General Hospital, Alpena, Michigan, August 1998.
4. Fetters MD. Cultural issues in patient care – The example of Japanese patients. Grand Rounds, Department of Family Medicine, University Hospitals of Cleveland, Cleveland, Ohio, December 1999.

5. Fetters MD. Caring for Japanese patients: Cultural differences and clinical implications. First Annual Asian American Health Issues Forum, Southfield, Michigan, October 2001.
6. Fetters MD. Cultural issues in patient care – The example of Japanese patients. Department of Family Medicine, Thomas Jefferson University, Philadelphia, Pennsylvania. November 2001.
7. Fetters MD. Cultural issues in health care: Lessons from Japanese patients. Psychiatry Grand Rounds, Wayne State University, Detroit, Michigan, December 2004.
8. Fetters MD. Cultural issues in patient care: The example of Japanese patients. Midwest Institute for International/Intercultural Education Workshop on Human Rights and Global Healthcare Issues, Kalamazoo Community College, Kalamazoo, Michigan, August 2005.
9. Fetters MD. Current teaching in ethics and professionalism at UMMS: A survey of course and clerkship directors. Gheens Lecture, University of Louisville, Louisville, Kentucky, 2007.
10. Fetters MD. Cultural issues in patient care: Japan vs. USA. Global Healthcare and Education Midwest Institute, Kalamazoo Community College, Kalamazoo, Michigan, August 2008.
11. Fetters MD. Major healthcare issues and policies in East Asia: Japan, Global Healthcare and Education Midwest Institute. Kalamazoo Community College, Kalamazoo, Michigan, August 2008.
12. Fetters MD. Research consultation and grand rounds, Introduction to mixed methods research: Why the whole is greater than the sum of the parts. Louisiana State University School of Nursing, New Orleans, Louisiana, May 2009.
13. Fetters MD. Providing culturally competent care in a changing world: Lessons learned from caring for overseas Japanese. St. Joseph Hospital, Ypsilanti, Michigan, May 2010.
14. Fetters MD. Cultural issues in care of Japanese patients—Implications for medical humanities. Medical Humanities Conference, Western Michigan University, Kalamazoo, Michigan, September 2011.
15. Fetters MD. Mixed methods integration in a project evaluating the process of adaptive clinical trial development. NIH-OBSSR Workshop, Using Mixed Methods to Optimize Dissemination and Implementation of Health Interventions, Natcher Conference Center, NIH Campus, Bethesda, Maryland, May 2012.
16. Teo AR, Andrea SB, Motohara S, Matthieu MM, Fetters MD, Sakakibara RV. Brief gatekeeper training for suicide prevention in an ethnic minority population: A controlled intervention. Poster presentation, 37th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, Washington DC, March-April, 2016.

International Presentations

1. Fetters MD. 家庭医療レジデント研修の日米比較 (Comparison of family medicine resident training between Japan and the United States). 15th Annual Japanese Academy of Primary Care Meeting, Utsunomiya, Japan, June 1992.
2. Fetters MD. レジデント研修に関する日米討議 (Japan-United States resident training forum). 15th Annual Japanese Academy of Primary Care Meeting, Utsunomiya, Japan, June 1992.
3. Akabayashi A, Fetters MD, Ohi G. オンコロジーにおける癌告知 (Truth telling of the cancer diagnosis in Oncology). Kobe, Japan, October 1995.

4. Elwyn TS, Tsuda T, Fetters MD, Matsushita A, Chang CD, Suehiro M. Attitudes of Japanese physicians towards truth telling of the cancer diagnosis: Qualitative research using long interviews. 10th Japanese Academy of Family Medicine, Tokyo, Japan, November 1995.
5. Fetters MD, Elwyn TS, Gorenflo DW, Tsuda T. Influence of age, gender, and prognosis on Japanese physicians' cancer truth telling behaviors. 24th North American Primary Care Research Group (NAPCRG), Vancouver, BC, Canada, November 1996.
6. Elwyn TS, Fetters MD, Gorenflo DW, Tsuda T. Japanese physicians' attitudes about truth telling: A comparison with historical data from the United States. 24th North American Primary Care Research Group (NAPCRG), Vancouver, BC, Canada, November 1996.
7. Fetters MD, Elwyn TS, Gorenflo DW, Tsuda T. 日本の医師の癌告知行動：影響を与える要因 (Cancer disclosure behaviors of Japanese physicians: Factors of hence). 11th Annual Meeting of Japanese Academy of Family Medicine, Tokyo, Japan, November 1996.
8. Fetters MD, Elwyn TS, Gorenflo DW, Tsuda T. 日本人医師の告知の実態に関する検討：現状および過去の傾向の米国との比較. (Examination of Cancer Disclosure by Japanese physicians: Current and past trends and comparison with the United States). 11th Annual Meeting of Japanese Academy of Family Medicine, Tokyo, Japan, November 1996.
9. Elwyn TS, Fetters MD. 日本と欧米における共著のあり方 (Multiple authorship in Japan and the West). Poster Presentation, 1997 UNESCO Asian Bioethics Conference, Kobe, Japan, November 1997.
10. Fetters MD, Zamorski M. Defining family: Beyond biological models. Improving Family Health. Reggio Emilia, Italy, November 1998.
11. Fetters MD. Cardiopulmonary resuscitation and care of deceased patients: Japanese and U.S. perspectives. 4th World Congress of Bioethics, Tokyo, Japan, November 1998.
12. Fetters MD. Medical decision-making paradigms at the end-of-life: A comparison of Japanese and U.S. physicians. Fourth World Congress of Bioethics, Tokyo, Japan, November 1998.
13. Yeo S, Fetters MD, Maeda Y. アメリカにおける日本人夫婦の出産体験 (Japanese couples' birthing experiences in the United States). Fourth International Nursing Research Conference, Japan Nursing Academy, Tsu City, Mie Prefecture, Japan, August 2001.
14. Fetters MD, Creswell JW, Pinschmidt SBL, Plano Clark VL, Watkins PS. Prioritizing the delivery of preventive services by primary care physicians. 31st North American Primary Care Research Group (NAPCRG), Banff, Alberta, Canada, October 2003.
15. Jimbo M, Fetters MD, Nishiue T, Rew K, Kiyota A, Takemura Y, Pollock M, Okada T, Sano K. Establishing family medicine in Japan: Challenges and opportunities. WONCA Asia-Pacific Conference, Kyoto, Japan, May 2005.
16. Fetters MD, Watkins PS, Creswell JW. Tracking prevention and medical topics and topic changes during health maintenance examination visits. 33rd North American Primary Care Research Group (NAPCRG) Annual Meeting, Quebec, Canada, October 2005.
17. Kiyota A, Fetters MD, Gorenflo D, Nease DE, Jr. Depression screening comparing the PHQ-9 and IDD in overseas Japanese patients. 33rd North American Primary Care Research Group (NAPCRG) Annual Meeting, Quebec, Canada, October 2005.
18. Jimbo M, Fetters MD, Nishiue T, Takemura Y, Pollock M, Okada T, Sano K, Kiyota A, Rew K. Establishing family medicine in Japan: Challenges and opportunities. 33rd North

- American Primary Care Research Group (NAPCRG) Annual Meeting, Quebec, Canada, October 2005.
19. Fetters MD, Tanaka T, Gorenflo D, Mitsunami K. Medical students' specialty preferences for generalist and subspecialty training and practice in Japan. 35th North American Primary Care Research Group (NAPCRG) Annual Meeting, Vancouver, British Columbia, Canada, October 2007.
 20. Fetters MD, Sobesky J, Sokolnicki A, Holtrop D, Kowalk A, Boggs M, Green LA. Facilitators and barriers to translational research across multiple institutions and practices: A case study from the Michigan Clinical Research Collaboratory. 36th North American Primary Care Research Group (NAPCRG) Annual Meeting, Puerto Rico, November 2008.
 21. Jimbo M, Fetters MD, Motohara S, Asei S, Uehara A. Perspectives of Japanese men and women on cancer screening. 36th North American Primary Care Research Group (NAPCRG) Annual Meeting, Puerto Rico, November 2008.
 22. Fetters MD, Tanaka T, Sen A, Mitsunami K. Comparison of Japanese medical students by specialty preference, plans for hybrid primary care/specialty care, and long-term plans for private practice. Poster Presentation, 36th North American Primary Care Research Group (NAPCRG) Annual Meeting, Puerto Rico, November 2008.
 23. Fetters MD, Frels JG, Richards F, Thurston M. A mixed methods approach for examining preventive services provided in doctor-patient encounters through use of animated body maps. 7th Mixed Methods International Conference, Leeds, United Kingdom, June 2011.
 24. Fetters MD, Hammoud M, Al-Rawi S, Padela A, Killawi A, Elnashar M, Abdelrahim H, Khidir A. The use of mixed methods to develop a culturally and linguistically valid health care quality assessment instrument in an extremely high-density multicultural setting in the Gulf Region. 7th Mixed Methods International Conference, Leeds, United Kingdom, June 2011.
 25. Elliott HA, Fetters MD, Hammoud M, Al-Rawi S, Padela A, Killawi A, Elnashar M, Abdelrahim H, Khidir A. How social relations contribute to patient assessments of health care quality in an extremely high-density multicultural setting in the Arabian Gulf Region: Preliminary findings from a mixed methods project in Qatar. Seventh Mixed Methods International Conference, Leeds, United Kingdom, June 2011.
 26. Holtrop JS, Green L, Potworowski G, Fetters MD, Fitzpatrick L, Werner K, Day A. Using cognitive task analysis as a method of identifying important features of practice change. Poster presentation, 39th North American Primary Care Research Group (NAPCRG), Banff, Alberta (Canada), November 2011.
 27. Holtrop JS, Green L, Potworowski G, Fetters MD, Fitzpatrick L, Werner K, Day A. Navigating the options for care management in primary care. Poster presentation, 39th North American Primary Care Research Group (NAPCRG), Banff, Alberta (Canada), November, 2011.
 28. Fetters MD, Legocki LJ. The use of mixed methods research for evaluating the process of adaptive clinical trials development for neurological emergencies in the ADAPT-IT investigation. Eighth Mixed Methods International Conference, Leeds, UK, June 2012.
 29. Fetters MD, Legocki LJ. Ethical views of key stakeholders in adaptive clinical designs for neurological emergency research: Findings from a convergent mixed methods design. Eighth Mixed Methods International Conference, Leeds, UK, June 2012.
 30. Shumer G, Fetters M, Warber S, Plegue M, Motohara S, Yajima A, Bialko M, Iida T, Sano K, Amenomori M, Tsuda T. Complementary and alternative medicine use by visitors to

- rural Japanese family medicine clinics. 41st North American Primary Care Research Group (NAPCRG), Ottawa, Ontario, Canada, November 2013.
31. Fetters MD. Qualitative field observations 101: Practical skills and approaches for enriching primary care research projects, 41st North American Primary Care Research Group (NAPCRG), Ottawa, Ontario, Canada, November 2013.
 32. Ito T, Takenoshita R, Narumoto K, Sugimura M, Crabtree B, Fetters M. Middle school girl, parent and teachers' assessments of a family physician-led intervention for improving HPV vaccination and cervical cancer screening. 41st North American Primary Care Research Group (NAPCRG), Ottawa, Ontario, Canada, November 2013.
 33. Shikano K, Tsuda S, Hirano Y, Ojima T, Fetters MD, Crabtree B. Higher satisfaction found with an interactive group seminar for advance care planning: A clinical trial of Japanese outpatients. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 2014.
 34. Case B, Zazove P, Moreland C, Ouellette A, Plegue M, Hoekstra A, Sen A, and Fetters M. Technical standards of American medical schools and the Americans With Disabilities Act. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 2014.
 35. Takenoshita R, Ito T, Narumoto, K, Inoue M; Plegue M, Sen A, Creswell JW, Crabtree BF, Fetters MD. Outcomes of a community-based intervention in Japan to Promote HPV vaccination in middle school girls and cervical cancer screening for their mothers. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 2014.
 36. Potworowski G, Green L, Alexander J, Wise C, Fetters MD. How and why vanguard practices help other practices adopt and implement PCMH. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 2014.
 37. Fetters MD. Khidir A, Elnashar M, Abdelrahim H, Qaiser H, Sen A, Padela A, Hammoud M, Al Khal A, Aikens J, Plegue M. Global Health – Moderator & Presenter: Multicultural assessment inventory: Psychometric testing demonstrates internal consistency, reliability and validity of novel instrument for assessing acculturation. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 2014.
 38. LeMaster J, Broadbridge C, Arnetz J, Jamil H, Fetters MD, Arfken C, Pole N, Lumley M, Arnetz B. Pre-migration trauma, psychological health and acculturation in Iraqi refugees and Arab immigrants to the U.S.: A longitudinal study. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 2014.
 39. Tsunawaki S, Fetters MD. An empirical assessment of cases experienced during inpatient family medicine resident training in a rural community hospital of the Shizuoka Family Medicine Training Program in Japan. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 2014.
 40. Fetters MD, Guetterman T, Creswell JW. Integrating quantitative and qualitative results in health science mixed methods research through joint displays, 43rd North American Primary Care Research Group (NAPCRG), Cancun, Mexico, October 2015.
 41. Fetters MD, Schleicher L, Scerbo M, White C, Lypson M, Becker D, Kron F. Post-trial qualitative assessments explain why second year medical students exposed to a virtual human computer simulation performed better in a communications objective structured clinical experience than students taking a control module, 43rd North American Primary Care Research Group (NAPCRG), Cancun, Mexico, October 2015.

42. Fetters MD, Guetterman T. Procedures for Writing a Mixed Methods Paper for Publication, 43rd North American Primary Care Research Group (NAPCRG), Cancun, Mexico, October 2015.

National Presentations

1. Fetters MD. Ethics of end of life decision-making for terminally ill elderly in Japan. Japanese Center for Quality of Life Studies Symposium, Columbia Presbyterian Hospital, New York, New York, March 1993.
2. Fetters MD. Health care research in Japan: The role of *nemawashi* in the approval process. Japanese Center for Quality of Life Studies Symposium, New York, New York, March 1993.
3. Fetters MD, Danis M. Conflict in end of life decision-making: Who decides? Robert Wood Johnson Clinical Scholars Program, Fort Lauderdale, Florida, November 1994.
4. Fetters MD. Japanese physicians report social and cultural factors are barriers to truth telling of the cancer diagnosis. Society of Teachers of Family Medicine (STFM), New Orleans, Louisiana, May 1995.
5. Fetters MD, Morita M. Terminal illness of elderly in Japan: Perspectives of eight physicians. Japanese Center for Quality of Life Studies, White Plains, New York, June 1995.
6. Fetters MD. The role of the family in medical decision-making in Japan. Annual Meeting of the Society for Health and Human Values, San Diego, California, October 1995.
7. Phan KLD, Doukas DJ, Fetters MD. Religious leaders attitudes and beliefs about genetics research and the human genome project. Annual Meeting of the Society for Health and Human Values, San Diego, California, October 1995.
8. Fetters MD, Mise J, Newton WP, Gorenflo DW, Tsuda T, Igarashi M. Japanese and United States family medicine resident physicians' attitudes about training. Family Practice Research Day XIX, Lansing, Michigan, May 1996.
9. Fetters MD, Wang C. Culture, language, and power: Pragmatic issues in research. Primary Care Research Methods and Statistics Conference, San Antonio, Texas, December 1996.
10. Fetters MD, Doukas DJ, Phan, KLD. Family physicians' concerns about genetic testing and the human genome project. 30th Society of Teachers of Family Medicine (STFM), Annual Spring Conference, Boston, Massachusetts, May 1997.
11. Fetters MD. A theoretical framework for family autonomy. Joint meeting of the American Association of Bioethics, Society for Bioethics Consultation, and Society for Health and Human Values, Baltimore, Maryland, November 1997.
12. Fetters MD. Japanese expatriates' preferences for cancer screening and diagnostic test results. 25th North American Primary Care Research Group (NAPCRG), Orlando, Florida, November 1997.
13. Fetters MD. The emerging social responsibilities of international family medicine: The benefits exceed the efforts. 31st Society of Teachers of Family Medicine (STFM), Annual Spring Conference, Chicago, Illinois, April 1998.
14. Fetters MD. Can U.S. medical culture tolerate non-disclosure of the cancer diagnosis? American Society of Bioethics and Humanities Conference, Houston, Texas, November 1998.
15. Masuda Y, Fetters MD, Uemura K, Muto E, Mogi N, Iguchi A. Outcomes of living wills completed by patients in Japan: Surveys of descendants' families and physicians. First

- American Society of Bioethics and Humanities Conference, Houston, Texas, November 1998.
16. Hoock J, Zamorski MA, Fetters MD. Practice in the 21st Century: What skills do our residents need to survive? 32nd Society of Teachers of Family Medicine (STFM), Annual Spring Conference, Seattle, Washington, May 1999.
 17. Fetters MD, Lieberman RW, Abrahamse MA, Sanghvi RV, Sonnad SS. Cost-effectiveness of vaginal smear screening after total hysterectomy for benign disease. Society of Medical Decision Making (SMDM), Cincinnati, Ohio, October 2000.
 18. Fetters MD. Decisions about prevention study (DAPS): Prioritization of and consent for preventive services in generalist practice. Robert Wood Johnson Generalist Faculty Scholars Program, San Diego, California, December 2000.
 19. Warber S, Fetters MD. Reflections on an indigenous ethic to guide collection of natural materials for healthcare. Quandaries in health care: The environments of healing and health care, Aspen, Colorado, September 2001.
 20. Fetters MD. Decisions about prevention study (DAPS): Prioritization of and consent for preventive services in generalist practice. Robert Wood Johnson Generalist Faculty Scholars Program, San Diego, California, December 2001.
 21. Fetters MD, Ohtaki S, Ohtaki T. Doctor-patient communications: A comparison of the U.S. and Japan. Society of Teachers of Family Medicine (STFM), San Francisco, California, April 2002.
 22. Fetters MD. Decisions about prevention study (DAPS): Prioritization of and consent for preventive services in generalist practice. Robert Wood Johnson Generalist Faculty Scholars Program, Jacksonville, Florida, December 2002.
 23. Ruffin MT, Fetters MD, Crawford K, Creswell JW, Power D. Development of an interactive education electronic program to promote colorectal cancer screening. 27th Annual Meeting of the American Society of Preventive Oncology, Philadelphia, Pennsylvania, March 2003.
 24. Fetters MD, Pinschmidt SBL, Korn D, Ruffin MT, Creswell JW. A typology of work during health maintenance examinations. Society of Teachers of Family Medicine (STFM), Annual Conference, Atlanta, Georgia, September 2003.
 25. Fetters MD, Pinschmidt SBL, Watkins P, Creswell JW. Factors generalist physicians consider when prioritizing prevention: Findings from the decisions about prevention study (DAPS). 31st North American Primary Care Research Group (NAPCRG), Banff, Alberta, Canada, October 2003.
 26. Fetters MD, Pinschmidt SBL, Watkins P, Creswell JW. Practice culture and provision of prevention: Case studies from the decisions about prevention study (DAPS), 31st North American Primary Care Research Group (NAPCRG), Banff, Alberta, Canada, October 2003.
 27. Fetters MD. Decisions about prevention study (DAPS): Prioritization of and consent for preventive services in generalist practice. Robert Wood Johnson Generalist Faculty Scholars Program, Woodlands, Texas, December 2003.
 28. Fetters MD, Watkins P, Creswell JW. Tracking prevention and medical topics and topic changes during health maintenance examinations. Michigan Family Practice Research Day XXVII Conference, Michigan State University, East Lansing, Michigan, May 2004.
 29. Korn D, Watkins P, Fetters MD, Creswell JW. A comparison of documented preventive services to actual services provided as documented by videotape analysis of health

- maintenance examinations in the primary care setting. Michigan Family Practice Research Day XXVII Conference, Michigan State University, East Lansing, Michigan, May 2004.
30. Fetters MD. We work together: Patient consent for preventive services in health maintenance examinations. 32nd North American Primary Care Research Group (NAPCRG), Orlando, Florida, October 2004.
 31. Khodae M, Fetters MD. Prevalence of soccer related injuries and parental attitudes regarding protective equipment use by young soccer players. 14th Annual Meeting American Medical Society for Sports Medicine, Austin, Texas, April 2005.
 32. Saigal P, Fetters MD, Nishiue T. Medical student views on primary care and specialty care career choices in Japan. Society of Teachers of Family Medicine (STFM), Annual Meeting, New Orleans, Louisiana, May 2005.
 33. Fetters MD. Family medicine education, clinical care, and research in Japan: Challenges and barriers identified during focus groups at a WONCA workshop. Annual Michigan Family Practice Research Day XXVIII Conference, Michigan State University, East Lansing, Michigan, May 2005.
 34. Kim C, Fetters MD. Opportunities for error reduction by examining data from family medicine Morbidity and Mortality Conferences. Society of Teachers of Family Medicine (STFM), New Orleans, Louisiana, May 2005.
 35. Yoshioka T, Fetters MD. What influenced Japanese pregnant women to choose epidural anesthesia or not in the United States? WONCA Asia Pacific Regional Conference, Kyoto, Japan, May 2005.
 36. Yoshioka T, Fetters MD, Yeo S. Do Japanese pregnant women want to have epidural anesthesia during labor? A mixed method study on Japanese pregnant women in the United States. Michigan State University FAME Research Forum, Flint, Michigan, May 2007.
 37. Fetters MD. Medical care in Japan, health care organization: An international perspective. School of Public Health, University of Michigan, Ann Arbor, Michigan, October 2007.
 38. Fetters MD, Tanaka T, Sen A, Mitsunami, K. Comparison of Japanese medical students by specialty preference, plans for hybrid primary care/specialty care and long-term plans for private practice. Family Medicine Research Day XXXI Conference, Brighton, Michigan, May 2008.
 39. Kron F, Gjerde C, Fetters MD. Medical students' attitudes about new media in medical education. Annual Michigan Family Medicine Research Day XXXI Conference, Brighton, Michigan, May 2008.
 40. Schiller E, Fetters MD. Free Clinics: A review of the literature for establishing a research agenda. Annual Michigan Family Medicine Research Day XXXII Conference, Genoa Woods Conference Center, Brighton, Michigan, May 2009.
 41. Fetters MD, Power D, Johnson J, Henoch V, Chilton E. Perspectives on portraying medical research in the Detroit Science Center Museum – Initial findings from a community advisory panel on developing the Medical Marvels Interactive Translational Research Experience (MITRE) exhibit. Annual Michigan Family Medicine Research Day XXXII Conference, Genoa Woods Conference Center, Brighton, Michigan, May 2009.
 42. Kron F, Gjerde C, Fetters MD. What computer games do medical students like and why? Results of a qualitative assessment. Annual Michigan Family Medicine Research Day XXXII Conference, Genoa Woods Conference Center, Brighton, Michigan, May 2009.
 43. Kron F, Fetters MD. Personalized learning network conceptual model for new media medical research and education. Annual Michigan Family Medicine Research Day XXXIII Conference, Howell, Michigan, May 2010.
