

Matthew A. Corriere, M.D., M.S.
Section of Vascular Surgery
5171 Frankel Cardiovascular Center
1500 E. Medical Center Dr., SPC 5867
Ann Arbor, Michigan 48109-5867
mcorrier@med.umich.edu

Education and Training

B.S., Zoology, University of Georgia, Athens, Georgia 8/1991-3/1995

M.D., Mercer University School of Medicine, 8/1995-5/1999

Residency, Vanderbilt University School of Medicine, Surgery, 7/1999-6/2006

M.S., Health Sciences Research, Wake Forest University Graduate School, 8/2006-6/2008

Fellowship, Wake Forest University School of Medicine, Vascular Surgery, 7/2007-6/2009

Certification and Licensure

Diplomate, American Board of Surgery, Certificate #052145, 2007

Diplomate, American Board of Surgery with added qualification in Vascular Surgery, certificate #102057, 2010

Registered Physician in Vascular Interpretation, American Registry for Diagnostic Medical Sonography, 2011

Medical License, State of Tennessee #MD0000036322, 2002-2006 (retired)

Medical License, State of North Carolina, #2006-01243, 2006-

Medical License, State of Georgia, #62323, 2009-

Medical License, State of Michigan, #4301109248, 2016-

Academic, Administrative, and Clinical Appointments

Academic Appointments

Assistant Professor, Division of Vascular Surgery and Endovascular Therapy, Emory University School of Medicine, 2009-2012

Joint Appointment, Department of Epidemiology, Emory University Rollins School of Public Health, 2010-2012

Guest Researcher, Centers for Disease Control and Prevention, Division for Healthcare Quality Promotion, National Center for Infectious Diseases. Atlanta, Georgia 2011-2012

Assistant Professor, Department of Vascular and Endovascular Surgery, Wake Forest University School of Medicine, 2012-2015

Joint Appointment, Division of Public Health Sciences, Wake Forest University School of Medicine, 2012-2016

Associate Professor, Department of Vascular and Endovascular Surgery, Wake Forest University School of Medicine, 2015-2016

Faculty Appointment, Wake Forest University Graduate School, 2015-2016

Frankel Professor of Cardiovascular Surgery & Associate Professor of Surgery, Department of Surgery, Section of Vascular Surgery, University of Michigan Health System, September 2016-

Administrative Appointments

Director of Clinical Research, Department of Vascular and Endovascular Surgery, Wake Forest University School of Medicine, 2012-2016

Program Director, Fellowship in Vascular and Endovascular Surgery, Wake Forest University School of Medicine, 2014-2016

Consultant, Section of Vascular Surgery, University of Michigan Health System, August 2016

Clinical Appointments

Staff Physician, Emory University Hospital, 2009-2012

Staff Physician, Atlanta Veterans Affairs Medical Center, 2009-2012

Staff Physician, Egleston Children's Hospital, Children's Healthcare of Atlanta, 2009-2012

Staff Physician, Emory University Hospital Midtown, 2010-2012

Quality Officer, Division of Vascular Surgery and Endovascular Therapy, Emory University School of Medicine, 2010-2012

Staff Physician, Wake Forest University Baptist Medical Center, 2012-2016

Medical Director, Wake Forest University Baptist Medical Center Clinical Vascular Lab, 2012-2016

Staff Physician, University of Michigan Health System, 2016-

Research Interests

1. Patient-provider communication and shared decision making
2. Survey-based preference elicitation
3. Implementation of novel treatment strategies and interventions
4. Comparative assessment of treatment alternatives from clinical, quality, social, and value-based perspectives
5. Epidemiology and clinical treatment outcomes of arterial and venous disease

Grants

- a) Present and Active

Vascular Cures Foundation/Society for Vascular Surgery Foundation

Facilitating Shared Treatment Decision-Making for Peripheral Arterial Disease
PI: Matthew A. Corriere
6/1/2014-5/31/2017
\$150,000

NHLBI
Best Endovascular vs. Best Surgical Therapy in Patients with Critical Limb Ischemia (BEST-
CLI)
National PIs: Menard/Farber/Rosenfeld/Siami/Assmann
Site PI: Hurie (Co-Investigator)
7/1/2015-12/1/2018

b) Previous

Peripheral Vascular Surgical Society Research Award
Longitudinal Neurobehavioral Outcomes following Carotid Revascularization
PI: Corriere
7/1/2008-6/30/2009
\$14,500

Atlanta Clinical & Translational Science Institute Pilot Award
CD31+ mononuclear cell therapy in Peripheral Arterial Disease and Critical Limb Ischemia:
A Phase I Randomized Study
2011
PI. A. Quyumi (Co-Investigator)
\$100,000

American Heart Association - MAA Mentored Clinical & Population Research Award
Using Patient Preferences to Guide Treatment of Critical Limb Ischemia
PI: Corriere
7/1/2014-6/30/16
\$154,000

W.L. Gore & Associates
Global Registry for Endovascular Aortic Treatment (GREAT) Outcomes Evaluation
Site PI: Corriere
2/16/2017-7/26/2017

Wake Forest University School of Medicine Clinical and Translational Science Institute
Applying Elicited Patient Preferences to Shared Treatment Decisions for Peripheral Artery
Disease
PI: Corriere
1/1/2016 (declined)
\$40,000

Honors and Awards

Alpha Omega Alpha, Mercer University School of Medicine, 1999
Will Sealy Award (best overall surgery clerkship performance), Mercer University School of
Medicine, 1999
Lester F. Williams Research Award, Vanderbilt University Division of General Surgery, 2002
First place: Adkins/Jabbour Clinical Science Presentation Competition, Annual Meeting,
Tennessee Chapter of the American College of Surgeons, 2006
S. Timothy String Presidential Award, Southern Association for Vascular Surgery, 2006
Second Place: Resident Research Forum, Annual Meeting, North Carolina Chapter of the

American College of Surgeons, 2007
H. William Scott, Jr. Society, Department of Surgery, Vanderbilt University School of Medicine,
2007
Founder's Award, Southern Association for Vascular Surgery, 2007
Wylie Scholar Award in Academic Vascular Surgery, Society for Vascular Surgery and Vascular
Cures Foundation, 2014

Memberships in Professional Societies

American College of Surgeons
Resident Member, 2002-2006
Associate Fellow, 2009-2011
Fellow, 2011-
American Heart Association,
Active Member, 2007-
Fellow, 2015-
American Medical Association, 1999-
International Society for Pharmacoeconomics and Outcomes Research, 2012-
Michigan Vascular Society, 2016-
Society for Clinical Vascular Surgery, 2008-
Society for Vascular Surgery
Candidate Member, 2008-2009
Active Member, 2009-
Society for Vascular Ultrasound, 2011-
Society of University Surgeons, 2015-
Southeastern Surgical Congress, 2003-2016
Southern Association for Vascular Surgery
Candidate Member, 2007-2011
Active Member, 2011-2007
Surgical Outcomes Club, 2011-
Vascular and Endovascular Surgery Society
Candidate Member, 2007-2009
Active Member, 2009-

Editorial Positions, Boards, and Peer-Review Service

Editorial Positions

Associate Editor, Year Book of Vascular Surgery, Philadelphia: Elsevier-Mosby, 2015-2016.
Section Editor (Upper extremity Disease, Vascular Education Self-Assessment Program
(VESAP)-4 , Society for Vascular Surgery, 2015-
Editorial Team Leader, Journal Scan, ACC.org (American College of Cardiology), 2016-

Boards

Scientific Reports, 2015-
Vascular Medicine, 2017-

Peer-Review Service

The American Journal of Surgery
Annals of Vascular Surgery
Circulation
Circulation: Healthcare Quality and Outcomes
Epidemiology and Infection
Expert Review of Cardiovascular Therapy
JAMA Surgery
Journal of American College of Cardiology
Journal of the American College of Surgeons
Journal of the American Heart Association
Journal of Surgical Research
PLOS ONE

Teaching

Graduate Students:

David Benkeser, University of Georgia School of Public Health
MPH Summer Internship project supervisor, 2011-2012

Ashish Jain, Emory University School of Medicine
Discovery Phase Project Advisor, 2010-2011

Chardonnay J. Vance PhD, Wake Forest University School of Medicine
Research Project Advisor, 2012-2013

Matthew Goldman MD, Wake Forest University Graduate School
Thesis Advisor, Health Sciences Research, 2012-2016

Thomas C. Reeve MD, Wake Forest University Graduate School
Thesis Advisor, Health Sciences Research, 2014-2016

Medical Students, Residents and Fellows:

Clerkship Director, Emory University School of Medicine Vascular Surgery Rotation, 2009-2012

Mock Oral Board Examiner, Emory University School of Medicine Department of Surgery, 2010

Coordinator, Emory University Division of Vascular Surgery Journal Club, 2009-2012

Clinical staff teaching (*supervised 4 fellows, 20-24 residents, and 12-20 medical students assigned to Vascular Surgery Rotation/Clerkship annually*), 2009-

Clinical Research Director, Department of Vascular and Endovascular Surgery, Wake Forest University School of Medicine (*supervised 4-5 fellows, 2-4 residents, and 2-4 students per year*), 2012-

Faculty examiner, M3 Oral Exams, University of Michigan Department of Surgery Education, 2016-

Intramural Lectures:

Faculty Lecturer, Emory University School of Medicine Core Rotation in Surgery
"Peripheral Vascular Disease," 2009-2012

Emory University Department of Surgery Grand Rounds, "Contemporary management of atherosclerotic renovascular disease," 6/2010

General Surgery Junior Resident Conference, Emory University School of

Vascular Surgery Conference, Emory University School of Medicine, "Data analysis and testing," 2011

General Surgery Senior Resident Conference, Emory University School of Medicine, "Diseases of the aorta and great vessels," 2012

Faculty Lecturer, Wake Forest School of Medicine Cardiovascular Block:
"Extracranial cerebrovascular disease," 2012-2013
"Occlusive disease of the visceral and renal arteries," 2012-2013

Wake Forest Joslin Diabetes Center Lecture, "Peripheral arterial disease," 1/2013

Wake Forest Surgical Critical Care Conference, "Catheter-directed thrombolysis," 6/2013

Cardiology Research Grand Rounds, Wake Forest University School of Medicine, "Patient-defined utilities in peripheral arterial disease: a foundation for preference-based treatment selection." 10/2013

Wake Forest Clinical and Translational Science Institute Clinical Informatics Affinity Group Workshop, "Applying elicited patient preferences to shared treatment decisions for peripheral artery disease 10/2015

An Introduction to Clinical Informatics: Data Acquisition, Analyses and Applications, Wake Forest Clinical and Translational Science Institute, "The nature and cognitive aspects of human decision-making." 3/2016

Faculty Lecturer, University of Michigan Section of Vascular Surgery Morning Lecture, "Renal and Mesenteric Disease," 9/2016-

Faculty Lecturer, University of Michigan Section of Vascular Surgery Resident Teaching Conference, "Upper Extremity Disease," 11/2016-

Cardiovascular Medicine Grand Rounds, University of Michigan Frankel Cardiovascular Center, "Patient-Centered Peripheral Artery Disease Care: Moving from Concept to Clinic," 10/11/2016

Multidisciplinary Aortic Program Conference, Frankel Cardiovascular Center, University of Michigan Health System. "Involving patients in shared treatment decisions for vascular procedures." 11/16/2016

Faculty Lecturer, University of Michigan Section of Vascular Surgery Resident Teaching Conference, "Vascular Trauma," 3/2017

Faculty Lecturer, General Surgery Senior Resident Conference, "Arterial Aneurysms," 3/2017

Faculty Organizer and Presenter, Vascular Surgery Journal Club, 3/2017

Committee, Organizational, and Volunteer Service

a) Institutional
Mercer University School of Medicine
Honor Council, 1998-1999

Vanderbilt University Medical Center
Internal Residency Review, 2002-2004
House Staff Advisory Council, 2002-2004
Perioperative Enterprise Committee, 2002-2004
Hospital Staff Expansion Committee, 2004

Emory University School of Medicine
Research Advisory Council, Department of Surgery, 2010-2011

Wake Forest School of Medicine

Institutional Review Board, 2007-2008
Vascular Surgery Fellowship Curriculum Committee, 2013-2016
Vascular Surgery Fellowship Program Evaluation Committee, 2013-2016
Surgical Services Safety Committee, 2014-2016
Work Relative Value Unit Validation Committee, 2014
Faculty Representative Council (alternate), 2014-2016
Departmental Liaison, Office of Women in Medicine and Science, 2014-2016
Surgical Sciences Research Council, 2014-2016
Clinical Informatics Affinity Group, 2015-2016
Conflict of Interest with Industry in Clinical Care/Education Committee, 2015-2016

University of Michigan

Bio-Social Methods Collaborative, 2016-
Institute for Healthcare Policy and Innovation, 2016-
Internal Advisory Council, Department of Physical Medicine and Rehabilitation,
2016-

b) National

American Heart Association/American College of Cardiology

Writing committee, Guideline for the Treatment of Lower Extremity Peripheral Artery Disease, 2014-2016
Abstract reviewer, AHA Scientific Sessions 2015, 2016
Advisor, PAD Guidelines 2017 Webinar

American College of Surgeons

Clinical Congress Scientific Forum Committee (ad hoc member), 2015-2016
Surgical Specialty Roundtable Discussion Leader, Division of Education, 2016
Clinical Congress, Washington DC, October 2016
Program Moderator, Surgical Forum (Vascular III), 2016 Clinical Congress, Washington, DC

Centers for Disease Control and Prevention

Healthcare Infection Control Practices Advisory Committee Surgical Site Infection Working Group, 2011-2012

Society for Vascular Surgery

Comparative Effectiveness Committee, 2011-2013
Clinical Research and Comparative Effectiveness Committee, 2013-2016
Public and Professional Outreach Committee, 2014-2016
Society Representative to Patient-Centered Outcomes Research Institute (PCORI)
Physician Roundtable meeting, 2016

Vascular and Endovascular Surgery Society

Grants and Scholarship Committee, 2009-2012 (Chair, 2012)
Correspondence Committee, 2009-2011
Winter Program Committee, 2012
Spring Program Committee, 2012
Executive Committee, Councilor at large, 2013-2016
Representative to AHA/ACC Guideline for the Treatment of Lower Extremity Peripheral Arterial Disease Update writing group, 2014-2016
Treasurer, 2016-

c) International

d) Volunteer Service (Community and Humanitarian)

Community Outreach Faculty Lecturer, BestHealth Seminar, February 20, 2013; "PAD: A Clinical Update".

Community Outreach Faculty Lecturer, Translational Science Institute Speakers Bureau, Davie County Senior Services, August 27, 2014; "Peripheral Arterial Disease".

Volunteer, WATCH D.O.G.S. program, Brunson Elementary School, Winston-Salem, NC, 2013-2014.

American Heart Association Guest Speaker Womble Carlyle, P.C. Lunch & Learn, Winston-Salem, North Carolina. "Peripheral arterial disease: AHA research and the importance of AHA fundraising related to research." September 2014

Participant and donor, American Heart Association Heart Walk, Winston-Salem, NC, 2015.

"Impact of AHA Funding on Clinical Research" (invited presentation for American Heart Association Regional Fundraising Team), Greensboro, North Carolina, June 2015

Executive Leadership Team and Medical Chair, American Heart Association Heart Ball, Winston-Salem, North Carolina, 2015-2016.

Volunteer referee, Skyline High School Dodgeball Tournament, Ann Arbor, MI; January 2017.

Consulting Positions

Vascular Surgery Advisory Board, United States Department of Veterans Affairs National Surgery Program Office, 2010-2012

Technical Expert Panel, Agency for Healthcare Research and Quality Comparative Effectiveness Review/ Brown School of Public Health, Renal Artery Stenosis Update, 2014-15

Chief Medical Advisor, Project VOICE, Vascular Cures Foundation, 2015-

Visiting Professorships, Seminars, and Extramural Invited Presentations

1. Southern Association for Vascular Surgery 33rd Annual Meeting; Paradise Island, Bahamas, 2010. Invited commentary: "A contemporary rural trauma center experience in blunt traumatic aortic injury."
2. Peripheral Vascular Surgery Society 35th Annual Spring Meeting, Boston, MA, 2010. Invited commentary: "Effects of anesthesia versus regional nerve block on major leg amputation mortality rates."
3. "Georgia and the SVS Vascular Quality Initiative." Florida Vascular Study Group Fall Meeting, Shands at the University of Florida, Gainesville, Florida, 2011.
4. "Contemporary management of mesenteric ischemia," Georgia Surgical Association Annual Meeting, 2010. Ponte Vedra Inn and Resort, Ponte Vedra Beach, Florida

5. Southern Association of Vascular Surgery 36th Annual Meeting; Scottsdale, Arizona, 2012. Invited commentary: "Mortality of patients with premature lower extremity atherosclerosis."
6. American College of Surgeons Clinical Congress 2012; Chicago IL. Invited commentary: "A Comparison of Contemporary Mortality Following EVAR and Open Abdominal Aortic Aneurysm Repair."
7. American College of Surgeons Clinical Congress 2012; Chicago IL. Invited commentary: "Outcomes following lower extremity bypass surgery among octogenarians."
8. American College of Surgeons Clinical Congress 2012; Chicago, IL. Invited commentary: "Inhibition of the Matrix Metalloproteinase Stromelysin-1 Reduces Arterial Calcification."
9. "Gender and peripheral arterial disease: disparities, evidence gaps, and opportunities." Mercer University School of Medicine Department of Surgery Grand Rounds. Macon, Georgia; July 2012.
10. "PAD Revascularization Outcomes in Women with Peripheral Arterial Disease." American Heart Association Scientific Sessions 2012. Los Angeles, California.
11. "Endovascular treatment for stenosis at anastomosis of bypass." Southern Association of Vascular Surgery 2012 Post-graduate Course, Scottsdale, Arizona, 2012.
12. "Role of minimally invasive surgery: infrainguinal revascularization." Association of VA Surgeons Annual Meeting, Miami, Florida, 2012.
13. "Medical Therapy is the Treatment of Choice for Renovascular Hypertension." Southern Association for Vascular Surgery 37th Annual Meeting; Paradise Island, Bahamas, 2013.
14. Southern Association for Vascular Surgery 37th Annual Meeting; Paradise Island, Bahamas, 2013. Invited commentary: "Pulmonary Embolism Risk Following Upper Extremity DVT in a Single-Center Series of 500 Consecutive Patients."
15. Society for Vascular Surgery/European Society for Vascular Surgery Society for Vascular Surgery Joint Debate Session, Vascular Annual Meeting 2014, Boston MA. "Renal artery stenosis: the trials do not answer the important questions; there are still indications to treat renal artery occlusive disease." (Society for Vascular Surgery representative versus European Society of Vascular and Endovascular Surgery Representative George Hamilton MD, University College, London, United Kingdom).
16. "Education models in departments of surgery." The Association of Academic Surgical Administrators 27th Annual Conference, San Francisco, CA, October 2014.
17. "Applying consumer-based perspectives to shared decision-making for peripheral arterial disease." The Halstead Society 87th Annual Meeting, 9/2014, Cashiers NC.
18. "Population-Based Health Services Research: When, Where, How and Why: How should surgical Investigators design their analyses and conduct their research?" Vascular Annual Meeting 2014, Boston MA. "
19. "Catheter-directed thrombolysis for acute finger ischemia." 40th Annual Northwestern Vascular Symposium, Northwestern University Feinberg School of Medicine. December 2015, Chicago IL.
20. "Patient-centered research and "Database/Outcomes Research". Invited group facilitator, Connections and conversation for young to midlevel vascular surgeon researchers concurrent Session (From the SVS Research Council, SVS Research and Education Committee, SVS Young Surgeons Committee and the SVS Clinical and Comparative Effectiveness Research Committee) Vascular Annual Meeting, June 8th, 2016, Washington, DC.
21. "Hand and distal arm emergencies: principles of management." Advances in Vascular Surgery and Endovascular Therapy, May 13th, 2016, Baltimore Maryland.
22. "Visceral artery aneurysms. Who needs to be treated when and how?" Advances in Vascular Surgery and Endovascular Therapy, May 13th, 2016, Baltimore Maryland.
23. Exercise therapy for PAD and revascularization for claudication: evidence and the guidelines." American Heart Association Scientific Sessions: Introducing the 2016 PAD Guidelines and State

- of the Science in 2016, New Orleans LA.
24. "Renal artery stenosis: contemporary management and evidence gaps." Western Kentucky Heart and Lung Cardiovascular Symposium. September 17th, 2016, Bowling Green, Kentucky.
 25. "Computed tomography-based evaluation of great saphenous vein conduit for bypass surgery." 41st Annual Northwestern Vascular Symposium, Northwestern University Feinberg School of Medicine. December 9, 2016, Chicago, IL.
 26. "Review of the 2016 AHA/ACC guideline on management of patients with lower extremity peripheral artery disease." Michigan Podiatric Medical Association Great Lakes Conference. January 27, 2017; Dearborn, MI.
