

# Curriculum Vitae

## Personal Information

Name: Fraukje Elisa Francisca Mevissen  
Date of Birth: 5 October 1975  
Place of Birth: Utrecht, the Netherlands  
Nationality: Dutch  
E-mail: fraukje.mevissen@maastrichtuniversity.nl

	<i>Home</i>	<i>Work</i>
Address:	Bovenstraat 33K 6223 AC, Maastricht The Netherlands Tel: +31 (0)6 - 13240620	Maastricht University Faculty of Psychology & Neuroscience Dep. of Work & Social Psychology P.O. Box 616, 6200 MD, Maastricht Netherlands Tel: +31 (0)43 – 3882399 Fax: +31 (0)43 – 3671032

## Work & Research experience

2012 – current: Maastricht University, Work & Social Psychology  
Assistant Professor

### Research Projects

- Long Live Love+ (2009 – 2013)  
Systematic development, evaluation and implementation of an online sexual health curriculum for high school students.

### PhD Students (supervision)

- Make a Move (2012 – 2015)  
Effect and process evaluation of an intervention to prevent sexual offensive behavior among at-risk boys".  
In collaboration with Rutgers-WPF<sup>1</sup>  
ZonMw funded project  
PhD student: Sanne van Lieshout  
Promotores: Prof. Dr. G. Kok, MU; Prof. Dr. R.A.C. Ruiter, MU  
Co-promotor: F. Mevissen, MU
- Implementation Long Live Love (2010 – 2013)

---

<sup>1</sup> Rutgers Nisso Groep – World Population Foundation, Utrecht, the Netherlands

Development, implementation and evaluation of an online tool to promote quality of dissemination & implementation of a school-curriculum on sexual health for high school students.

ZonMw funded project.

PhD student: Lisette Schutte

Promotor: Prof. Dr. G. Kok, MU

Co-promotor: F. Mevissen, MU

- Beyond love: Unintended Pregnancies and the Sexual Reproductive Health of Adolescents in Ghana (2012 – 2014)

A study on Adolescent unintended pregnancy and the strategies to reduce its occurrence in the Bolgatanga District in Ghana.

PhD student: John Kingsley Krugu

Promotor: Dr. R.A.C. Ruiter, MU

Co-promotor: F. Mevissen, MU, Dr. Cornelius Debpuur

#### Teaching

- Supervision of Bachelor's, Master and Master's theses
- Coordinator & tutor of the course 'Manipulation', Master Health and Social Psychology  
[Course on social influence and attitude change including systematic vs heuristic processing, role models etc.]
- Co-coordinator & tutor of the course 'Action', Bachelor Psychology  
[Course on the cognitive and neural basis of human actions and the decision making processes surrounding them.]
- Tutor Planning Health Promotion Programs, Master Social Psychology & summer course  
[Course on the Intervention Mapping Approach.]
- Guest lectures & training Intervention Mapping Approach

#### Acquisition

- Co-applicant APF Visionary Grand (under review). \$ 20.000,-
- Co-applicant Leonardo Da Vinci European collaboration grant (rejection due to lack of partners).
- Wayne Placek grant proposal (under review). \$ 15.000,-
- Application financial support youth interventions (2013). €10.000,-
- Co-applicant ZonMw VIMP impulse (2011). €99.979,-
- Co-applicant ZonMw implementation project (2010). €370.000,-
- Project assignments STI Aids Netherlands (2010). €3000,-
- Advise STI Aids Netherlands (2009). €5000,-
- Project assignments STI Aids Netherlands (2009). €46.000,-
- Project assignments STI Aids Netherlands (2006). €9000,-
- NetDesign, funding printing costs PhD thesis (2009). €500,-
- Flycatcher, funding printing costs PhD thesis (2009). €100,-

#### Other responsibilities

- Member faculty counsel, Faculty of Psychology and Neuroscience, Maastricht University (2011 – 2015)
- Reviewer research projects, articles and PhD thesis's (ZonMW, Psychology & Health, Journal of Basic and Applied Social Psychology, Sexually Transmitted Infections, Sage Open, Applied Psychology: Health and Well-Being, Current HIV Research, Health Education Research)
- Article editor (Sage Open)
- Coordinator Reshape (The Maastricht Center for Research on HIV/AIDS Prevention and Education)

- Coordinator Euroregional Collaboration on HIV Stigma (in collaboration with diocese of Aachen (Germany), diocese Liège (Belgium) and diocese Roermond (Netherlands))
- Advise on projects from STI AIDS Netherlands, Municipal Health Centre Rotterdam, Netherlands, Fiom (teenage pregnancies) Netherlands, Organisaties van Bureau Jeugdzorg (Youth Care Office) Netherlands
- Advise & cooperation Sexuality Course, Open University, Heerlen, Netherlands
- Office First Aid Helper

2009 – 2012: Maastricht University, Work & Social Psychology  
Post-doc researcher

#### Projects

- “Long Live Love +: development, implementation & evaluation of an (online) sexual health school program”.  
In collaboration with Prof. Dr. G. Kok, MU, Dr. P. van Empelen, TNO. Project included additional studies such as a pre-adoption survey among high school teachers on the antecedents of using online educational materials and a survey among students on the antecedents of homonegative behavior. Close collaboration with the municipal health centre of Rotterdam-Rijnmond and STI Aids Netherlands.
- “Kitatin: Process & effect evaluation of an educational website to promote sexual health among Antillean Youth”.  
Collaboration with Prof. Dr. G. Kok, MU, and STI AIDS Netherlands
- “Maroc.nl: Process & effect evaluation of an educational website to promote sexual health among Dutch-Moroccan Youth”.  
Collaboration with Prof. Dr. G. Kok, MU, and STI AIDS Netherlands

#### Teaching

- Supervision of Bachelor’s and Master’s theses
- Co-coordinator & tutor of the course ‘Decision Making’, Bachelor Psychology
- Co-coordinator of the course ‘Action’, Bachelor Psychology
- Tutor Planning Health Promotion Programs, Master Social Psychology & summer course
- Guest lectures & training Intervention Mapping Approach

#### Other Responsibilities

- Member faculty counsel, Faculty of Psychology and Neuroscience, Maastricht University
- Reviewer (ZonMW, Psychology & Health, J of Basic and Applied Social Psychology)
- Coordinator Reshape (The Maastricht Center for Research on HIV/AIDS Prevention and Education)
- Coordinator Euroregional Collaboration on HIV Stigma (in collaboration with diocese of Aachen (Germany), diocese Liege (Belgium) and diocese Roermond (Netherlands)).
- Office First Aid Helper
- Long Life Love – lower high school, SANL. School program to promote sexual health for lower high school students. *Advisor*
- Long Life Love – vocal training, Municipal Health Centre Rotterdam-Rijnmond. School program to promote sexual health for vocational training students. *Advisor*
- Sex < 25<sup>ste</sup> – 2, SANL, Rutgers-WPF. Monitor on youth sexual health. *Advisor*

- Advisor for research projects & applications

2003 - 2008: Maastricht University, Health Education Department  
PhD Student

#### Projects

- "On-line tailored STI/ HIV risk communication. Studies on the effectiveness of different risk communication strategies on risk perception regarding sexual transmitted infections". Promoter: Prof. Dr. H.P. Schaalma, co-promoter: Dr. R.M. Meertens and Dr. R.A.C. Ruiter. Evaluation of the Aids STI Information Helpline.

#### Teaching

- Coordinator and trainer of Intervention Mapping (Health Promotion Planning; Prevention of Vascular Diseases) for Master students and Master of Public Health.
- Introduction lecture Intervention Mapping
- Supervision of Bachelors and Masters theses.
- Coordinator of Bachelors training "safe and unsafe sexual behavior and STI".
- Tutor Master course Risk communication en risk perception
- Tutor Body & Behavior, Bachelor Psychology
- Tutor Community Projects, Bachelor Health Sciences

#### Other responsibilities

- Development, implementation and maintenance of an online, interactive, tailored STI prevention intervention for adolescents in heterosexual relationships: [www.soaspreekuur.nl](http://www.soaspreekuur.nl).
- Interim chairwomen TECB (Temporary Employers Consultative Body).

## Education

#### Diplomas

- 2009: PhD. Maastricht University, Netherlands, Faculty of Health, Medicine and Life Sciences. Defense: 11 September 2009.
- 2001: MSc. Fundamental Biomedical Sciences. University of Utrecht, Faculty of Biology, the Netherlands.  
Specialization: Functional Neurobiology/ Biopsychonomy

Extracurricular courses at the Faculty of Social Sciences (Behavior and Pharmacia) and Faculty of Philosophy (Introduction to Philosophy of the Middle Ages, Introduction to Modern Philosophy). University of Utrecht, the Netherlands.

- 1996: Bachelor Biology. University of Utrecht, Faculty Biology.
- 1994: High school diploma. St. Bonifatius College, Utrecht, the Netherlands.

#### Other

- 2000 -2001: Teaching assistant, Faculty Biology, University of Utrecht, Netherlands. Courses: Zoology, Cell biology.
